RULES AND REGULATIONS

Cancellation Policy

- The Cleanup Deposit will be returned if the event is cancelled prior to the date of the event. (Restrictions may apply based on the event location.)
- No Permit Fees will be refunded if the event is cancelled before or after the scheduled event date.
- Although Permit Fees are non-refundable, if an event is cancelled due to inclement weather, the permit fee can be credited towards an alternate date. Event organizers must be in touch with County before the scheduled event date or no more than three (3) business days following the scheduled event date to reschedule. The alternate date must be within eight (8) months of the original scheduled event date.

ADA Accessibility Guidelines

- Event organizers must make the event accessible to people with disabilities to the greatest extent possible in compliance with the requirements of the Americans with Disabilities Act (ADA). If the event calls for portable restroom facilities, 5% of the total number of portable restroom units and at least one (1) in each grouping of units must be accessible to persons with disabilities.
- Accessible parking must be provided for persons with disabilities. Depending on the location, designated accessible parking lots must be utilized for accessible parking for the event. Information regarding accessible parking locations should be included as part of the event advertising and clearly marked at the event site. At a minimum, all event personnel and volunteers should be aware of the locations of accessible parking to direct persons with disabilities and handicap tags to the appropriate parking areas.

Use of State Roads

- Any event that requires the use of a State Road must complete the appropriate paperwork and submit it with the application.

COUNTY APPROVAL FORM

Event organizers must receive approval from all required departments below. Some departments may be required if they are applicable to the event. Read the field of expertise to determine which applies to the event. When emailing staff please copy outdoorevents@myescambia.com. OUTDOOR CLEAN-UP FORM

It is understood that cleanup will begin immediately following the event and be completed within 24 hours. Cleanup includes but is not limited to the removal of all garbage, signs, banners, tents and traffic control devices (i.e. cones, barrels, signs, barricades, and Changeable Message Signs) from the event area, public right-of-way, and/or County property. Inspection will then be made by a Code Enforcement Officer to determine bond disposition. Failure to adequately clean up event site may result in forfeiture of full or partial clean-up bond. The undersigned agrees to accept all responsibility for event cleanup. Deposit refunds will be processed in the next available check cycle of Escambia County.

The following information is being provided to insure that all parties are aware and understand the requirements for cooking operations during special events. The information provided below is the minimum requirements as included in the Florida Fire Prevention Code FFPC (2010 Edition). These requirements will be subject to on-site inspection and review. Any deviations to minimum requirements shall only be allowed with the approval of the authority having jurisdiction.

10.11.2 Open Fires

- **10.11.5.1** Open fires and cooking fires shall be constantly attended by a competent person until such fire is extinguished. This person shall have a garden hose connected to the water supply or other fire-extinguishing equipment readily available.

10.11.2 The AHJ shall have the authority to prohibit any or all open fires when atmospheric conditions or local circumstances make such fire hazardous.

- **10.15 Special Outdoor Events, Carnivals, and Fairs**

10.15.2 The AHJ shall be permitted to regulate all outdoor events such as carnivals and fairs as it pertains to access for emergency vehicles; access to fire protection equipment; placement of stands, concession booths, and exhibits; and the control of hazardous conditions dangerous to life and property.

- **10.15.8 Cooking.** Concession stands utilized for cooking shall have a minimum of 10 ft (3 m) of clearance on two sides and shall not be located within 10 ft (3 m) of amusement rides or devices.

50.1.1* The design, installation, operation, inspection, and maintenance of all public and private commercial cooking equipment shall comply with this chapter and [NFPA 96](#), *Standard for Ventilation Control and Fire Protection of Commercial Cooking Operations*.

50.2.1.1 Cooking equipment used in processes producing smoke or grease laden vapors shall be equipped with an exhaust system that complies with all the equipment and performance requirements of this chapter. [96:4.1.1.2]

50.2.1.1.1 Cooking equipment that has been listed in accordance with UL 197, Standard for Commercial Electric Cooking Appliances, or an equivalent standard for reduced emissions shall not be required to be provided with an exhaust system [96:4.1.1.1]

50.2.1.9* Cooking equipment used in fixed, mobile, or temporary concessions, such as trucks, buses, trailers, pavilions, tents, or any form of roofed enclosure, shall comply with NFPA 96 or this chapter. [96:4.1.9]

Please initial all boxes and Page 2 is required to be signed.

**FIRE PREVENTION DIVISION
PUBLIC SAFETY BUREAU**

**SUPPLEMENTAL INFORMATION FOR COOKING
OPERATIONS DURING SPECIAL EVENTS
FFPC – NFPA 1 AND NFPA 101 (2010) EDITION**

NFPA 96 (2008 Edition)

10.1.1 Fire-extinguishing equipment for the protection of grease removal devices, hood exhaust plenums, and exhaust duct systems shall be provided.

10.1.2* Cooking equipment that produces grease-laden vapors and that might be a source of ignition of grease in the hood, grease removal device, or duct shall be protected by fire-extinguishing equipment.

10.2.1 Fire-extinguishing equipment shall include both automatic fire-extinguishing systems as primary protection and portable fire extinguishers as secondary backup.

I attest that all requirements noted above have been met or addressed in the documentation provided for review and approval and understand that inadequate or incorrect content is cause for permit denial.
