This permit is issued under the provision of Chapter 82, Article V, Division 3, Sections 82-224 through 82-240 of the Escambia County Code of Ordinances. The above named applicant, hereinafter called Permittee, is hereby authorized to perform the work or operate the facility shown in the application and approved drawing(s), plans, and other documents attached hereto or on file with the Division of Solid Waste Management, hereinafter called Department, and made a part hereof and specifically described as follows:

Verified By: *Atkins*
Date: 6/12/2013

To construct and operate a Construction and Demolition Debris disposal facility located on a 40-acre site on Longleaf Drive east of SR297 in Escambia County Florida. Operation of the facility shall be in accordance with the permit renewal application received on April 1, 2013, and the general and specific conditions required in this permit.

General Permit Conditions – All Facilities

1. The terms, conditions, requirements, limitations, and restrictions set forth in this permit are “permit conditions” and are binding and enforceable pursuant to the authority of Chapter 82, Article V, Division 3, Sections 82-224 through 82-240, Escambia County Code of Ordinances. Permittee is hereby placed on notice that the Department will review this permit periodically and may initiate enforcement action for any violation of these conditions.
2. This permit is valid only for the specific processes and operations applied for and indicated in the approved drawings or exhibits. Any unauthorized deviation from the approved drawings, exhibits, specifications or conditions of this permit may constitute grounds for revocation and enforcement action by the Department.
3. This permit does not constitute a waiver of or approval of any other federal, state or other county permit or license that may be required for other aspects of the total project, which are not addressed in the permit.
4. This permit does not relieve Permittee from liability for harm or injury to human health or welfare, animal, or plant life, or property caused by the construction or operation of this permitted facility or from penalties therefore; nor does it allow Permittee to cause pollution in contravention of Florida Statutes, County and Department rules.
5. Permittee shall properly operate and maintain the facility and systems of treatment and control, where applicable, that are installed and used by Permittee to achieve compliance with the conditions of this permit. This provision includes the operation of backup or auxiliary facilities or similar systems when necessary to achieve compliance with the conditions of the permit.
6. Permittee, by accepting this permit, specifically agrees to allow authorized Department personnel, upon presentation of credentials or other documents as may be required by law, access to the premises, at reasonable times, where the permitted activity is located or conducted for the purpose of:
 - a. Inspecting the facility, equipment, practices or operations regulated or required under this permit;
 - b. Sampling and monitoring any substance or parameters at any location reasonably necessary to assure compliance with this permit or Department rules, and,
 - c. Having access to and copying any records that must be kept under the conditions of this permit.

7. If for any reason, Permittee does not comply with or will be unable to comply with any condition or limitation specified in this permit, Permittee shall immediately provide the Department with the following information:
 - a. A description of and cause of noncompliance, and
 - b. The period of noncompliance, including exact dates and times; or if not corrected, the anticipated time the noncompliance is expected to continue, and steps being taken to reduce, eliminate, and prevent recurrence of the noncompliance.
8. In accepting this permit, Permittee understands and agrees that all records, notes monitoring data and other information relating to the construction or operation of the permitted facility which are submitted to the department , may be used by the Department as evidence in any enforcement case involving the permitted facility arising under the Florida Statutes or County or Department rules.
9. Permittee agrees to comply with changes in Department rules after a reasonable time for compliance.
10. This permit is transferable only upon Department approval in accordance with applicable county rules. Permittee shall be liable for any noncompliance of the permitted activity until the Department approves the transfer of permit.
11. This permit is required to be kept at the facility, which is permitted during the entire period of construction or operation.
12. Permittee shall submit all comments or correspondence required by this permit to:

Specific Permit Conditions – Infill Facilities

1. **Facility Setback.**
Footprint setback shall be a minimum of 100 feet from the property boundary and shall be maintained throughout the operational life of the facility. Setback shall be applicable to all permitted disposal areas including temporary storage and / or drop-off points, equipment storage or maintenance areas and entrance and exit points. Section 82.226. (3)(c).
2. **Aerial and Vertical Height.**
Aerial and vertical height shall be limited to the average grade before commencement of operations with allowance for closure and capping to promote positive drainage and prevent ponding and stormwater intrusion into the debris pile. Section 82.226. (3)(d).
3. **Fencing and Access Control.**
Fencing is required on all property boundaries. Any boundary that abuts developed property or a public road shall be fenced with a minimum of six (6) feet of wood or other Department approved material that prevents visible observation of the permitted disposal area. Vegetative buffering in sufficient quantity may be deemed a substitute for solid fencing. Entrance and exit points shall be equipped with gates and locks to prevent unauthorized access during periods when the facility is closed. Natural barriers may be used for access control in lieu of fencing where deemed appropriate by the Department. Section 82.227. (3)(a).
4. **Cover Material and Application**
Cover shall be used at least bi-weekly on working faces in sufficient quantity and type to deprive debris of oxygen, to minimize the risk of fire and prevent emission of objectionable odors. Section 82.227. (3)(b).
5. **Operational Hours**
Operations are limited to Monday through Friday between 7:00 a.m. and 5:00 p.m. and Saturday 7:00 a.m. to 3:00 p.m. Notwithstanding the above, cover may be applied after the operational hours but in no case after sundown. Operations are prohibited on Thanksgiving, Christmas, New Year's Day and July 4th. Section 82.227. (3)(e).
6. **Volume Reduction**
Volume reduction may *not* be accomplished by means of chipping, shredding, or otherwise processing the debris. Volume reduction may only occur by picking or removing recyclables from the waste stream prior to disposal. Section 82.227. (3)(d).
7. **Dust Suppression.**
Active dust suppression is required to prevent dust migration off site. Section 82.227. (3)(f).
8. **Nuisance**
No person shall cause, suffer, allow or permit the discharge into the air of dust, fumes, gas, mist, odor, smoke or vapor, or any combination thereof, so as to constitute a nuisance as defined in county ordinance 2006-24. Section 82.225 (cc) and Section 82.227. (3)(c).

9. **Queuing**
Queuing or staging of vehicles, containers, or equipment on public roads or rights of way is prohibited. Section 82.227. (3)(g).
10. **Commercial General Liability Coverage**
The Permittee shall maintain Commercial General Liability insurance with One Million Dollars (\$1,000,000.00) per occurrence and aggregate limits, including coverage parts of bodily injury, property damage, personal injury, product and completed operation, contractual liability and all additional requirements as specified in Section 86-233.
11. **Litter, Sediment and Traffic Control; Road Maintenance.**
The Permittee shall be responsible for maintaining the full length of road frontage and additional length of adjacent roadway as listed below, free from all litter and sediment generated as a result of transporting material into or out of the facility and all additional requirements as specified in Section 82.234.

Longleaf Drive and Kemp Road, .5 miles either side of facility entrance.
12. **Abatement Procedures**
Permittee shall consent to imposition of summary abatement procedures as hereinafter set forth in County Ordinance 2006-24, Section 82-240.
13. **Required Reports**
Permittee shall submit quarterly reports of tonnage of material received, average number of disposal vehicles enter the facility per month and remaining capacity.
14. **Permit Renewals**
Permittee shall submit an application, on Department provided forms, no later than 60 days before the expiration of the current permit. Applications submitted in accordance with this section, even if incomplete, shall be deemed complete, and the current permit will be extended until corrections are submitted. Notwithstanding the above, in no instance will permits be extended more than 180 days past the expiration date of the permit.

From: Pat Johnson, Department Director

Organization: Solid Waste

CAO Approval:

A handwritten signature in black ink, appearing to read "Pat Johnson", is written over the "CAO Approval:" label.

RECOMMENDATION:

5:32 p.m. Public Hearing for consideration of the renewal of a Permit to Construct and/or Operate a Construction and Demolition Debris Facility for Longleaf C&D Disposal Facility.

Recommendation: That the Board authorize the renewal of a Permit to Construct and/or Operate a Construction and Demolition Debris Facility for Longleaf C&D Disposal Facility, located at 2023 Longleaf Drive, Pensacola, FL, owned by Waste Management, Inc.

[Funding: Fund 401, Solid Waste, Account Number 343402]

BACKGROUND:

An application to renew a Permit to Construct and/or Operate a Construction and Demolition Debris Facility was submitted to the Solid Waste Management Department by Waste Management, Inc., d/b/a Longleaf C&D Disposal Facility.

The Escambia County Code of Ordinances Chapter 82, stipulates that each entity must obtain a permit from the Solid Waste Management Department in order to operate an infill facility in Escambia County. The Department Director of Solid Waste Management has determined that the facility satisfies the permitting criteria for an infill facility. A copy of the proposed permit renewal is attached.

BUDGETARY IMPACT:

A Solid Waste Management Permit Application Fee of \$1,000.00 has been deposited into the Fund 401, Solid Waste, Account Number 343402.

LEGAL CONSIDERATIONS/SIGN-OFF:

The County Attorney's Office has reviewed the application for form and legal sufficiency by legal signoff.

PERSONNEL:

N/A

POLICY/REQUIREMENT FOR BOARD ACTION:

Ordinance 2006-24, enacted March 16, 2006, requires a Permit to Construct, Operate, Modify or Close a Construction and Demolition Debris or Land Clearing Disposal Management Facility.

IMPLEMENTATION/COORDINATION:

Following approval of this recommendation, a Permit shall be issued and distributed accordingly.

This permit is issued under the provision of Chapter 82, Article V, Division 3, Sections 82-224 through 82-240 of the Escambia County Code of Ordinances. The above named applicant, hereinafter called Permittee, is hereby authorized to perform the work or operate the facility shown in the application and approved drawing(s), plans, and other documents attached hereto or on file with the Division of Solid Waste Management, hereinafter called Department, and made a part hereof and specifically described as follows:

To construct and operate a Construction and Demolition Debris disposal facility located on a 40-acre site on Longleaf Drive east of SR297 in Escambia County Florida. Operation of the facility shall be in accordance with the permit renewal application received on April 1, 2013, and the general and specific conditions required in this permit.

General Permit Conditions – All Facilities

1. The terms, conditions, requirements, limitations, and restrictions set forth in this permit are “permit conditions” and are binding and enforceable pursuant to the authority of Chapter 82, Article V, Division 3, Sections 82-224 through 82-240, Escambia County Code of Ordinances. Permittee is hereby placed on notice that the Department will review this permit periodically and may initiate enforcement action for any violation of these conditions.
2. This permit is valid only for the specific processes and operations applied for and indicated in the approved drawings or exhibits. Any unauthorized deviation from the approved drawings, exhibits, specifications or conditions of this permit may constitute grounds for revocation and enforcement action by the Department.
3. This permit does not constitute a waiver of or approval of any other federal, state or other county permit or license that may be required for other aspects of the total project, which are not addressed in the permit.
4. This permit does not relieve Permittee from liability for harm or injury to human health or welfare, animal, or plant life, or property caused by the construction or operation of this permitted facility or from penalties therefore; nor does it allow Permittee to cause pollution in contravention of Florida Statutes, County and Department rules.
5. Permittee shall properly operate and maintain the facility and systems of treatment and control, where applicable, that are installed and used by Permittee to achieve compliance with the conditions of this permit. This provision includes the operation of backup or auxiliary facilities or similar systems when necessary to achieve compliance with the conditions of the permit.
6. Permittee, by accepting this permit, specifically agrees to allow authorized Department personnel, upon presentation of credentials or other documents as may be required by law, access to the premises, at reasonable times, where the permitted activity is located or conducted for the purpose of:
 - a. Inspecting the facility, equipment, practices or operations regulated or required under this permit;
 - b. Sampling and monitoring any substance or parameters at any location reasonably necessary to assure compliance with this permit or Department rules, and,
 - c. Having access to and copying any records that must be kept under the conditions of this permit.

7. If for any reason, Permittee does not comply with or will be unable to comply with any condition or limitation specified in this permit, Permittee shall immediately provide the Department with the following information:
 - a. A description of and cause of noncompliance, and
 - b. The period of noncompliance, including exact dates and times; or if not corrected, the anticipated time the noncompliance is expected to continue, and steps being taken to reduce, eliminate, and prevent recurrence of the noncompliance.
8. In accepting this permit, Permittee understands and agrees that all records, notes monitoring data and other information relating to the construction or operation of the permitted facility which are submitted to the department , may be used by the Department as evidence in any enforcement case involving the permitted facility arising under the Florida Statutes or County or Department rules.
9. Permittee agrees to comply with changes in Department rules after a reasonable time for compliance.
10. This permit is transferable only upon Department approval in accordance with applicable county rules. Permittee shall be liable for any noncompliance of the permitted activity until the Department approves the transfer of permit.
11. This permit is required to be kept at the facility, which is permitted during the entire period of construction or operation.
