

Requirements of Interns/Volunteers

Water Quality & Land Management Division

- Receive intern packet from Josh Barnhill , intern coordinator.
- Send the following via email (jcbarnhill1@myescambia.com)
 - Intern packet, including release of liability & photo release forms
 - Resume or Curriculum Vitae
 - Letter of interest to include project interests
 - Availability (we prefer at least one full day per week)
 - At least 2 references
- Interview with the program manager or intern coordinator (if selected)
- If selected, you will go through a background check and receive an ID badge
- Requirements of the internship:
 - Must complete an intern orientation
 - Sign the Intern SOP & Ethics Contract for the Water Quality Division
 - Required to take notes in field journal on your projects
 - Participate in the intern symposium at the end of the semester regarding the project you have been working on all semester
 - Complete a brief report on your project
 - Our overarching goal is a mutual learning experience to produce better scientists

NOTE: Candidates must be available to work for an entire semester. Special exceptions will be considered on a case-by-case basis.
