ESCAMBIA COUNTY DISTRICT 4

December 2025

December: Season of Gratitude, Community, and Care

As we close out the year, thank you for the opportunity to serve our community.

One of my top priorities is protecting and promoting our waterways in District Four and across Escambia County. Clean, healthy waterways are essential to our environment, economy, and quality of life, and I remain committed to preserving them for future generations.

I also want to give a gentle reminder about the Ferry Pass Community Center, a great space available for meetings and community events. If you're interested in scheduling an event, we are happy to assist!

Staying connected matters. If your HOA or neighborhood association has an upcoming meeting, please let us know—we would love to attend and hear from you.

Wishing you and your family a joyful holiday season and a Happy New Year!

I look forward to continuing to serve you in the year ahead.

Ashlee Hofberger
