

PRIVATE APPLICATOR Pesticide License Class

February 24, 2017

Walnut Hill Community Center (Ruritan)

7850 Highway 97

Walnut Hill, FL 32568

COST: \$10 per person, includes lunch

TIME: 9:00 a.m. - 2:00 p.m.

Attendees will learn the basics of applying pesticides correctly and will be able to take the exams (Private Applicator and Core) necessary to become certified private applicators by FDACS.

WHO NEEDS A LICENSE? Anyone using or supervising the use of restricted use pesticides on agricultural or related sites in Florida needs a restricted use pesticide license. Agricultural and related sites include but are not limited to the following areas: farms, plant nurseries, livestock, forests, ornamentals and turf not associated with structures

A "private applicator" is an individual who has reached the age of majority (generally 18 years old) and is licensed by FDACS to use or supervise the use of any restricted use

pesticide for purposes of producing any agricultural commodity on property owned or rented by the licensed person or that person's employer. This license is for farm, ranch, grove, nursery, sod farm applications, etc.

Attendees must pre-register to ensure the correct number of exams will be available. For those who need to take exams in other categories, please let Libbie or Bethany know when registering.

To pre-register, contact:

Libbie Johnson at (850) 475-5230, libbiej@ufl.edu

Bethany Diamond at (850) 675-3107,

bethanydiamond@ufl.edu
