(hereinafter referred to as "Contractor"), a for profit corporation authorized to conduct business in the State of Florida, whose federal identification number is 59-2617169 and whose principal address is 1114 West Government Street, Pensacola, Florida 32502.

WITNESSETH:

WHEREAS, on September 8, 2014, the County issued an Invitation to Bidders (PD 13-14.091) seeking a vendor to provide uniforms for the Escambia County Department of Public Safety on an as-needed basis; and

WHEREAS, in response to the solicitation, Contractor submitted a bid demonstrating that the Contractor was qualified to provide such uniform supplies; and

WHEREAS, the County desires to enter into an agreement with the Contractor for the provision of purchasing such uniforms as set forth herein.

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, the County and the Contractor agree as follows:

1. Recitals. The recitals contained in the preamble of this Agreement are declared to be true and correct and are hereby incorporated into this Agreement.
2. Term. This Agreement shall commence as of the effective date and continue for a term of three (3) years. Upon mutual agreement of the parties, the Agreement may be renewed for two additional one (1) year terms.

After exercising all options to renew, the County may unilaterally extend this Agreement for an additional six (6) months. The County shall provide written notice of the desire to extend the agreement no later than sixty (60) days prior to the expiration of the last one (1) year renewal period. The total duration of this agreement, including the exercise of all options to renew/extend, shall not exceed the duration of five (5) years and six (6) months.

3. Scope. Contractor agrees to perform in accordance with the terms and conditions as outlined in Escambia County's Invitation to Bidders for the Purchase of Fire Rescue and Emergency Medical Services Uniforms, Specification No. P.D. 13-14.091, attached hereto as **Exhibit A**. In the event of a conflict between the terms of the Exhibit referenced above and this Agreement, the terms of this Agreement shall prevail.

4. Pricing. County shall pay Contractor for uniforms and related accessories in accordance with the Contractor's Bid Form, dated September 23, 2014, provided as part of the Contractor's Bid, attached hereto as **Exhibit B**. The prices shall include all costs of packaging, transporting, delivery and unloading to designated point within Escambia County. All items purchased by the County pursuant to this agreement are subject to post sale audit adjustment. In the event an audit indicates Contractor has not honored quoted price lists and discounts, Contractor will be liable for any and all overage charges.

5. Price Adjustments. Written requests for price adjustment may be made by Contractor every twelve (12) months, no less than 60 days prior to the requested effective date. Any increase price adjustment(s) shall be accompanied by written justification attesting that the request is a bona fide cost increase to the vendor. Adjustment in price shall be accomplished by written amendment to this contract approved by the Board of County Commissioners.

6. Purchase Orders. The County shall issue written purchase orders for supplies to the Contractor on an as-needed basis. The supplies shall be described in detail and the time frame in which delivery needs to be accomplished will be stated in the purchase order. No minimum quantity is guaranteed during the term of this agreement, and only those ordered pursuant to a purchase order may be compensated.

7. Method of Payment/Billing. Contractor may request payment from County by the submission of a properly executed original invoice. Invoices shall reflect the amount due and owing for the value of items received and accepted with appropriate supporting documentation. The County agrees it shall make its best efforts to pay Contractor within thirty (30) days of receipt and approval of Contractor's invoice.

8. Termination. This Agreement may be terminated for cause or convenience by the County upon providing thirty (30) days written notice to Contractor. This Agreement may be terminated for cause by the Contractor upon providing ninety (90) days written notice to the County. In the event of termination by either party as provided herein, the Contractor shall be paid for materials purchased through the date of termination.

The parties understand and agree that such indemnification by the Contractor relating to any matter,

which is the subject of this Agreement, shall extend throughout the term of this Agreement and any statutes of limitation thereafter. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims relating to this Agreement. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

SCOPE OF WORK SUMMARY

Objective: To create a cafeteria plan for the purchase of uniforms and accessories. This plan will allow employees and volunteers to purchase not only needed uniform items but will also allow them to purchase certain accessories that are utilized by ECFR and ECEMS employees and volunteers.

Process: The following format has been proposed:

1. Establish employee accounts with the selected vendor. The vendor shall provide each employee and/or volunteer an account on the vendor's internet website that will calculate his or her balance. The account shall be specific to each employee/volunteer requiring the use of a user name and password. The on-line account will allow employees/volunteers to order uniform items throughout the fiscal year terminating at a date established by the county.
2. New employees or volunteers may submit their first order directly to the vendor for expedited services until an on-line account has been created.
3. Establish a once a year uniform fitting that requires the vendor to visit the fire stations and Public Safety fitting personnel as needed. The fittings shall take place early in the new fiscal year that begins October 01 and shall be agreed upon by Escambia County Fire Rescue, Escambia County Emergency Medical Services and the vendor. New employees/members will have the option of visiting the store to be fitted if awarded to a local vendor in Escambia County. Vendors outside Escambia County will be required to visit the employees/volunteers station or another location determined by Escambia County for fitting new employees and/or volunteers.
4. A list of uniform items will be established, all items will be of the same manufacturer as specified by the county. Employees/volunteers will not be authorized to purchase any other types of items utilizing county funding unless authorized by their divisions. Authorized representatives from each division reserve the right to add/delete uniform items and/or accessories at the beginning of each new fiscal year or as necessary due to discontinued items or items on back order.

5. An invoice of the items ordered will be provided upon delivery of complete orders only to a specified delivery location. The order will be verified by a representative from the appropriate division for accuracy as compared to the invoice provided. The representative will sign the invoices providing a copy to the vendor and a copy that shall be forwarded to Fire or EMS administrations. Uniform items must be signed for by the employee or volunteer before they are removed from the pre-determined delivery location.

6. Any substitutions due to discontinued items must be submitted with bid to include at a minimum the manufacturer, model and/or item number, brief description, and pricing. Any items substituted after the contract has been awarded must be authorized by the appropriate agency first.

2. **Procurement Questions**

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

County Insurance Required

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor=s work, such of the insurance coverages described herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractors interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractors' deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the county, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

Workers Compensation Coverage

The contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least \$100,000 each accident and \$100,000 each employee/\$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

General, Automobile and Excess or Umbrella Liability Coverage

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of \$1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employers liability required in the workers compensation coverage section) and the total amount of coverage required.

General Liability Coverage - Occurrence Form Required

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

Business Auto Liability Coverage

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, nonowned and hired automobiles and employee non-ownership use.

Excess or Umbrella Liability Coverage

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

Evidence/Certificates of Insurance

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the general liability policy.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of \$1,000.

Designate Escambia County as the Certificate holder as follows:

Escambia County
Attention: Lester L. Boyd, Purchasing Specialist
Office of Purchasing, Room 11.101
213 Palafox Place, 2nd Floor
Pensacola, FL. 32502
Fax: (850) 595-4805

4. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the county, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

27. Indemnification

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first \$100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made.

Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.
