
COMMUNITY ALERT

A \$500 Million Dollar Funding Program Has Been Implemented In Escambia County

Replace Your Failing and Aged Roofing Systems In Anticipation Of The 2023 Hurricane Season TODAY!!

This Program Protects Your Home From
Hurricanes, Hail and Tornadoes

- There is already huge demand in Escambia County for this money so Call Today (448) 400-2340 to secure up to \$75k in financing to replace your old roof for a new roof (Choose from Shingle, Flat, Tile or Metal... All qualify for this program)
- Average homeowner receives \$37,475 for their new roof. You too can get access to this money just by calling today!
- Low credit or NO credit score still qualify for this program!!!

How to participate in this program?

Step 1: To get started, all you must do is call and set up an appointment for a representative to visit your home to discuss your need for a new roof replacement and assess your home.

**CALL (448) 400-2340
And Get Started Today!!!**
