

# Construction Notice of Commencement

## Brownsville Community Center and Park Sidewalk Project

### Project Overview

Escambia County's Construction Management Division will soon begin the Brownsville Community Center and Park Sidewalk Project in District 3. The project consists of clearing and grubbing, grading and installation of approximately 2,960 lineal feet of sidewalk, access ramps and striping. Construction is expected to occur between February and June 2019, pending weather conditions.

### Resident Information

- This project is funded by Local Option Sales Tax, with construction costs estimated at \$115,000.
- Chavers Construction Inc. will install concrete sidewalks within the right of way on Shoemaker Street, De Soto Street, Gonzalez Street, Brainerd Street and Z Street.
- Construction will take place during the hours of 7 a.m. to 5 p.m., Monday through Friday.
- Areas that are impacted during construction will be returned to their previous state.
- Access to adjacent properties will be maintained, although there may be short periods when a driveway or entrance is temporarily blocked during construction.
- An Escambia County inspector will monitor the construction areas daily.
- Your cooperation and patience are appreciated during this construction process.
