

Construction Notice of Commencement

Doug Ford Drive Right Turn Lane & Acceleration Lane Project

Project Overview

Escambia County's Engineering Division will soon begin installation of a right turn lane on Doug Ford Drive and acceleration lane on Sorrento Road in District 2. Construction is expected to take place from September 2016 through March 2017, pending contractor availability and weather conditions.

Resident Information

- This project is funded by Local Option Sales Tax III at an estimated cost of \$257,000.
- The contractor, Panhandle Grading and Paving, will install the turn lane and acceleration lane within the existing road rights of way.
- Construction is scheduled to take place during the hours of 7 a.m. to 5 p.m. Monday through Saturday.
- To reduce traffic congestion, night construction will be implemented for the replacement of a storm sewer pipe crossing Doug Ford Road.
- Sorrento Road will require traffic lane shifts, but will not be closed.
- Doug Ford Road will have at least one lane open at all times.
- Improvement areas may be temporarily disturbed, but will be returned to their previous state.
- Every effort will be made by the contractor to minimize inconveniences to area residents.
- An Escambia County inspector will monitor the construction areas daily.
