

Construction Notice of Commencement

Pine Forest Road at West Roberts Road Right Turn Lane

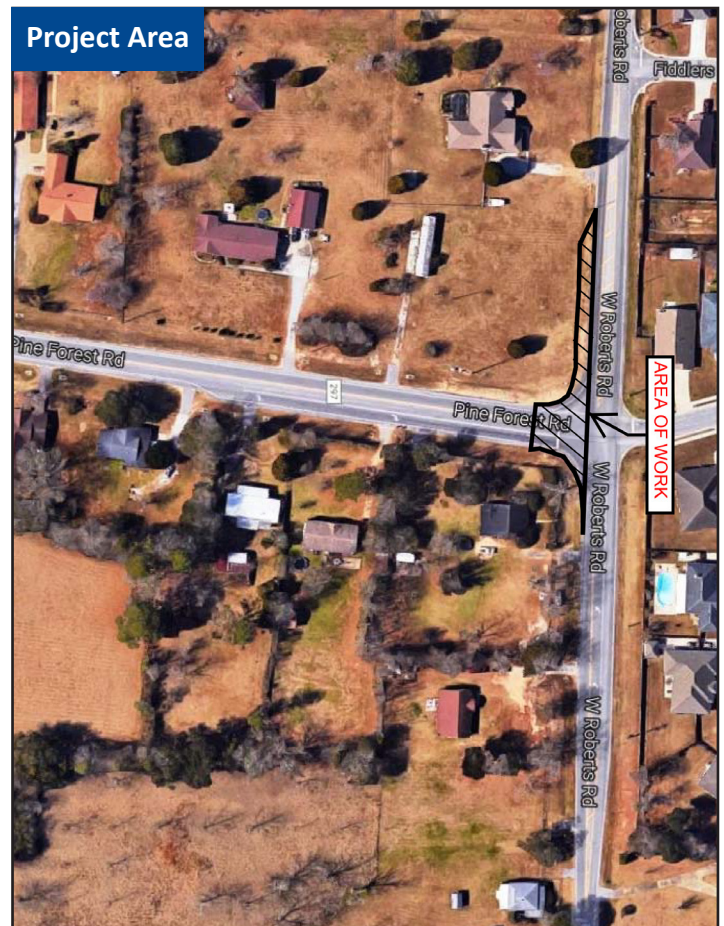

Project Overview

Escambia County's Engineering Division will soon begin the Pine Forest Road at West Roberts Road Right Turn Lane Project in District 5. This project consists of constructing an eastbound right turn lane on West Roberts Road and a traffic separator on the northbound side of Pine Forest Road. Construction is expected to begin in November and continue through February 2017, weather permitting.

Resident Information

- The project is funded by the Local Option Sales Tax at a construction cost of \$95,378.
- J. Miller Construction will be the contractor for the project.
- The contractor will limit construction activities to the area of the county's existing drainage easement and public rights of way.
- Construction is expected to take place during the hours of 7 a.m. to 5 p.m. Monday through Saturday.
- We do not anticipate any long-term obstructions in the road rights of way.
- Improvement areas may be temporarily disturbed before being returned to their previous state.
- You will be provided access to your property at all times, although there may be short periods when a driveway or an entrance may be temporarily blocked as equipment and materials are moved.
- Every effort will be made by the contractor to minimize inconveniences to area residents.
- An Escambia County inspector will monitor the construction areas daily.
- We appreciate your cooperation and patience during this construction process.
