## ESCAMBIA COUNTY DISTRICT 4

FEBRUARY 2026

### February: Serving With Heart

Keeping our community prepared, safe, and connected remains my top priority.

I invite you to join us for a free hands-only CPR class hosted with Escambia County Public Safety on Wednesday, March 18 at 6 PM at the Ferry Pass Community Center. This simple training equips you with the skills to act when seconds matter and could help save a life.

Bring your family, friends, and neighbors!

Register at [MyEscambia.com/EMS](https://MyEscambia.com/EMS) by selecting "CPR/AHA Course Registration."

I am honored to recognize Paramedic Phillip Cook, named a 2026 Star of Life recipient by the Florida Ambulance Association. His quick thinking and calm leadership during the emergency transport of a critically injured child directly contributed to that child's survival.

Congratulations to Paramedic Cook and thank you to all of our EMS professionals who serve with courage every day!

Finally, thank you to the FL-AL TPO for advancing the grant for our multi-use path project—an important step toward safer, more connected transportation options for District Four.

Thank you for staying engaged in our community!

I hope to see you at our virtual community conversations coffee Friday, February 20th. Scan the QR code to join at 8AM.

*Ashlee Hofberger*
