Provided further, if there is a disagreement between the Parties, with respect to the formatting and contents of such attachments, then Commerce's decisions with respect to same shall prevail, at Commerce's sole and absolute discretion.

(2) Incorporation of Laws, Rules, Regulations and Policies. Subrecipient agrees to abide by all applicable State and Federal laws, rules, and regulations, as now in effect and as may be amended from time to time, including, but not limited to, the Federal laws and regulations set forth in 24 CFR 570, applicable Federal Register Notices, and the State's Action Plan, and all applicable CDBG-DR regulations and guidelines.

This Subrecipient Agreement begins upon the date last executed by the Parties (the "Effective Date") and ends June 30, 2027, unless otherwise terminated as provided in this Subrecipient Agreement. (4) Modification of Agreement. Modifications to this Subrecipient Agreement shall be valid only when executed in writing by the Parties. Any modification request by Subrecipient constitutes a request to negotiate the terms of this Subrecipient Agreement. Commerce may accept or reject any proposed modification based on Commerce's sole determination and absolute discretion, that any such acceptance or rejection is in the State's best interest.

(5) Records.

- (a) Subrecipient's performance under this Subrecipient Agreement shall be subject to 2 CFR 200 – Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards as now in effect and as may be amended from time to time.
- (b) Representatives of Commerce, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability, and representatives of the Federal government and their duly authorized representatives shall have access to any of Subrecipient's books, documents, papers and records, including electronic storage media, as they may relate to this Subrecipient Agreement, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

1. Litigation, claim, or audit initiated before the six-year period expires or extends beyond the six-year period, in which case the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.
 2. Records for the disposition of non-expendable personal property valued at \$1,000 or more at the time of acquisition shall be retained for six (6) years after final disposition.
 3. Records relating to real property acquired shall be retained for six (6) years after the closing on the transfer of title.
- (f) Subrecipient shall maintain all records and supporting documentation for Subrecipient and for all contractors, subcontractors, and consultants paid from funds provided under this Subrecipient Agreement, including documentation of all program costs in a form sufficient to determine compliance with the requirements and objectives of the scope of work and all other applicable laws and regulations.
- (g) Subrecipient shall either: (i) maintain all funds provided under this Subrecipient Agreement in a separate bank account; or (ii) ensure that Subrecipient's accounting system shall have sufficient internal controls to separately track the expenditure of all funds from this Subrecipient Agreement. Provided further, that the only option available for advanced funds is to maintain such advanced funds in a separate bank account. There shall be no commingling of funds provided under this Subrecipient Agreement with any other funds, projects or programs. Commerce may, in its sole discretion, disallow costs made with commingled funds and require reimbursement for such costs as described herein, Subparagraph (21)(e), Repayments.
- (h) Subrecipient, including all of its employees or agents, contractors, subcontractors, and consultants to be paid from funds provided under this Subrecipient Agreement, shall allow access to its records at reasonable times to representatives of Commerce, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability or representatives of the Federal government or their duly authorized representatives. "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(6) Audit Requirements.

Subrecipient's timely submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement within all agreements (e.g., contracts, grants, memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between Commerce and Subrecipient.
- (c) In addition to the submission requirements listed in **Attachment I**, Audit Requirements, Subrecipient shall send an electronic copy of its audit report to Commerce's grant manager for this Subrecipient Agreement by June 30 following the end of each fiscal year in which it had an open CDBG-DR subgrant.
- (d) Subrecipient shall also comply with the Federal Audit Clearinghouse rules and directives, including but not limited to the pertinent Report Submissions provisions of 2 CFR 200.512, when such provisions are applicable to this Subrecipient Agreement.

(7) Reports.

Subrecipient shall provide Commerce with all reports and information set forth in **Attachment G**, Reports. The monthly, quarterly and administrative closeout reports must include the current status and progress of

Subrecipient and all subcontractors in completing the work described in the Scope of Work, **Attachment A**, and the expenditure of funds under this Subrecipient Agreement. Monthly and quarterly reports are due no later than close of business on the 5th of each month. Also, within 5 calendar days of a request by Commerce, Subrecipient shall provide additional program updates or information. Without limiting any other remedy available to Commerce, if all required reports and copies are not sent to Commerce or are not completed in a manner acceptable to Commerce, payments may be withheld until the reports are completed to Commerce's satisfaction. Commerce may also take other action as stated in Paragraph (12) Remedies or otherwise allowable by law.

(8) Inspections and Monitoring.

- (a) Subrecipient shall cooperate and comply with Commerce, HUD, and auditors with any inspections and will immediately provide access to records and financial statements as deemed necessary by Commerce, HUD, and their respective auditors at least in accordance with requirements of 2 CFR 200 and 24 CFR 570.489.
- (b) Subrecipient shall cooperate and comply with monitoring of its activities as deemed necessary by Commerce to ensure that the subaward is used for authorized purposes in compliance with federal statutes, regulations, and this Subrecipient Agreement.
- (c) Without limiting the actions Commerce, HUD, or their respective investigators may take, monitoring procedures will include at a minimum: (1) reviewing financial and performance reports required by the Grantee, (2) following-up and ensuring that Subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to Subrecipient from the Grantee as detected through audits, on-site reviews, and other means, and (3) issuing a management decision for audit findings pertaining to this Federal award provided to Subrecipient from the Grantee as required by 2 CFR 200.521.
- (d) Corrective Actions: Commerce may issue management decisions and may consider taking enforcement actions if noncompliance is detected during audits Commerce may require Subrecipient to take timely and appropriate action on all deficiencies pertaining to the Federal award provided to Subrecipient from the pass-through entity as detected through audits, on-site reviews and other means. In response to audit deficiencies or other findings of noncompliance with this Subrecipient Agreement, Commerce may in its sole discretion and without advance notice, impose additional conditions on the use of the CDBG-DR funds to ensure future compliance or provide training and technical assistance as needed to correct noncompliance. Commerce may also take other action as stated in Paragraph (12) Remedies or otherwise allowable by law.

(9) Duplication of Benefits.

Subrecipient shall not carry out any of the activities under this Subrecipient Agreement in a manner that results in a prohibited duplication of benefits as defined by section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. §§ 5155, *et seq.*) and described in Appropriations Acts. Subrecipient must comply with HUD's requirements for duplication of benefits, as described in the Federal Register and HUD guidance (including HUD training materials). Subrecipient shall carry out the activities under this Subrecipient Agreement in compliance with Commerce's procedures to prevent a duplication of benefits. Subrecipient shall sign a Subrogation Agreement (*See Attachment M*).

(10) Liability.

- (a) If Subrecipient is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, pursuant to section 768.28(19), Florida Statutes, neither Party indemnifies nor insures or assumes any liability for the other Party for the other Party's negligence.
- (b) Subrecipient assumes sole responsibility for the training and oversight of the parties it deals with or employs to carry out the terms of this Subrecipient Agreement to the extent set forth in section 768.28(19), Florida Statutes. Subrecipient shall defend, indemnify, and hold Commerce harmless against all claims of whatever nature arising from the work and services performed by third parties under this Subrecipient

Agreement. For purposes of this Subrecipient Agreement, Subrecipient agrees that it is not an employee or agent of Commerce, but is an independent contractor.

- (c) Subrecipient agrees to be fully responsible for its negligent or tortious acts or omissions, which result in claims or suits against Commerce. Subrecipient shall defend, indemnify, and hold Commerce harmless against any damages proximately caused by the acts or omissions to the tort monetary limits as set forth in section 768.28, Florida Statutes. Nothing herein shall be construed as consent by Commerce or the State of Florida to be sued by third parties in any matter arising out of any agreement, contract, or subcontract.
- (d) Nothing herein is intended to serve as a waiver of sovereign immunity by Commerce or Subrecipient.

(11) Events of Default.

If any of the following events occur (“Events of Default”), Commerce may, in its sole and absolute discretion, elect to terminate any obligation to make any further payment of funds, exercise any of the remedies set forth in Paragraph (12) Remedies or pursue any remedy at law or in equity, without limitation:

- (a) Any warranty or representation made by Subrecipient, in this Subrecipient Agreement or any previous agreement with Commerce, is or becomes false or misleading in any respect, or if Subrecipient fails to keep or perform any of the obligations, terms, or covenants in this Subrecipient Agreement or any previous agreement with Commerce or HUD, and/or has not cured them in timely fashion and/or is unable or unwilling to meet its obligations under this Subrecipient Agreement and/or as required by statute, rule, or regulation;
- (b) Any material adverse change occurs in the financial condition of Subrecipient at any time during the term of this Subrecipient Agreement and Subrecipient fails to cure this adverse change within thirty (30) calendar days from the date written notice is sent by Commerce;
- (c) Subrecipient fails to submit any required report or submits any required report with incorrect, incomplete, or insufficient information or fails to submit additional information as requested by Commerce; or
- (d) Subrecipient fails to perform or timely complete any of its obligations under this Subrecipient Agreement, including participating in Commerce’s Implementation Workshop.

The Parties agree that in the event Commerce elects to make payments or partial payments after any Events of Default, it does so without waiving the right to exercise any remedies allowable herein or at law and without becoming liable to make any further payment.

Neither Party shall be liable to the other for any delay or failure to perform under this Subrecipient Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party’s control or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party’s performance obligation under this Subrecipient Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Subrecipient Agreement to either Party. In the case of any delay Subrecipient believes is excusable under this paragraph, Subrecipient shall notify Commerce in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Subrecipient could reasonably foresee that a delay could occur as a result; or (2) within five (5) calendar days after the date Subrecipient first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE SUBRECIPIENT’S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. Commerce, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Subrecipient of its decision in writing. No claim for damages, other than an extension of time, shall be asserted against Commerce. Subrecipient shall not be entitled to an increase in the Subrecipient Agreement

price or payment of any kind from Commerce for direct, indirect, consequential, impact or other costs, expenses or damages, including, but not limited to, costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Subrecipient shall perform at no increased cost, unless Commerce determines, in its sole discretion, that the delay will significantly impair the value of the Subrecipient Agreement to Commerce or the State, in which case, Commerce may do any or all of the following: (1) accept allocated performance or deliveries from Subrecipient, provided that Subrecipient grants preferential treatment to Commerce with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Subrecipient for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Subrecipient Agreement quantity or (3) terminate the Subrecipient Agreement in whole or in part.

(12) Remedies.

If an Event of Default occurs, Commerce may in its sole discretion and without limiting any other right or remedy available, provide thirty (30) calendar days written notice to Subrecipient, and if Subrecipient fails to cure within those thirty (30) calendar days Commerce, may choose to exercise one or more of the following remedies, either concurrently or consecutively:

- (a) Terminate this Subrecipient Agreement upon written notice by Commerce sent in conformity with Paragraph (16) Notice and Contact;
- (b) Begin any appropriate legal or equitable action to enforce performance of this Subrecipient Agreement;
- (c) Withhold or suspend payment of all or any part of a request for payment;
- (d) Demand Subrecipient return to Commerce any funds used for ineligible activities or unallowable costs under this Subrecipient Agreement or any applicable law, rule or regulation governing the use of the funds;
- (e) Exercise any corrective or remedial actions, including, but not limited to:
 1. Requesting additional information from Subrecipient to determine the reasons for or the extent of non-compliance or lack of performance; and/or
 2. Issuing a written warning to advise that more serious measures may be taken if the situation is not corrected; and/or
 3. Advising Subrecipient to suspend, discontinue or refrain from incurring costs for any activities in question.; and/or
- (f) Exercise any other rights or remedies which may be otherwise available under law.

Pursuit of any of the above remedies does not preclude Commerce from pursuing any other remedies in this Subrecipient Agreement or provided at law or in equity. Failure to exercise any right or remedy in this Subrecipient Agreement or failure by Commerce to require strict performance does not affect, extend or waive any other right or remedy available or affect the later exercise of the same right or remedy by Commerce for any other default by Subrecipient.

(13) Dispute Resolution.

Commerce shall decide disputes concerning the performance of the Subrecipient Agreement, and document dispute decisions in writing and serve a copy of same on Subrecipient. All decisions are final and conclusive unless Subrecipient files a petition for administrative hearing with Commerce within twenty-one (21) days from the date of receipt of the decision. Exhaustion of administrative remedies prescribed in Chapter 120, Florida Statutes, is an absolute condition precedent to Subrecipient's ability to pursue any other form of dispute resolution; provided however, that the Parties may mutually agree to employ the alternative dispute resolution procedures outlined in Chapter 120, Florida Statutes.

(14) Citizen Complaints. The goal of Commerce is to provide an opportunity to resolve citizen complaints in a timely manner, usually within fifteen (15) business days of the receipt of the complaint as expected by HUD, if practicable, and to provide the right to participate in the process and appeal a decision when there is reason for an applicant to believe its application was not handled according to program policies. All applications, guidelines and websites will include details on the right to file a complaint or appeal and the process for filing a complaint or beginning an appeal.

The Subrecipient will handle citizen complaints by:

- (a) Conducting investigations, as necessary;
- (b) Finding a resolution; or
- (c) Conducting follow-up actions.

- (a) Commerce may immediately suspend or terminate this Subrecipient Agreement for cause by providing written notice, from the date notice is sent by Commerce. The aforementioned reasons for termination are listed in the immediately preceding sentence for illustration purposes but are not limiting Commerce's sole and absolute discretion with respect to Commerce's right to terminate this Subrecipient Agreement. In the event of suspension or termination, Subrecipient shall not be entitled to recover any cancellation charges or unreimbursed costs.

- (b) Commerce may unilaterally terminate this Subrecipient Agreement, in whole or in part, for convenience by providing Subrecipient fourteen (14) days written notice from the date notice is sent by Commerce, setting forth the reasons for such termination, the effective date and, in the case of partial termination, the portion to be terminated. However, if in the case of partial termination, Commerce determines that the remaining portion of the award will not accomplish the purpose for which the award was made, Commerce may terminate the portion of the award which will not accomplish the purpose for which the award was made. Subrecipient shall continue to perform any work not terminated. In the event of termination for convenience, Subrecipient shall not be entitled to recover any cancellation charges or unreimbursed costs for the terminated portion of work.

- (e) Upon expiration or termination of this Subrecipient Agreement Subrecipient shall transfer to Commerce any unobligated, residual CDBG-DR funds on hand at the time of expiration or termination and any accounts receivable attributable to the use of CDBG-DR funds.
- (f) Any real property under Subrecipient's control that was acquired or improved in whole or in part with CDBG-DR funds (including CDBG-DR funds provided to subrecipient in the form of a loan) in excess of \$25,000 must either:
 - 1. Be used to meet a national objective until five years after expiration or termination of this Subrecipient Agreement, unless otherwise agreed upon by the Parties, or except as otherwise set forth herein; or
 - 2. If not used to meet a national objective, Subrecipient shall pay to Commerce an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG-DR funds for the acquisition or improvement of the property for five years after expiration or termination of this Subrecipient Agreement.
- (g) The rights and remedies under this clause are in addition to any other rights or remedies provided by law or under this Subrecipient Agreement.

- records, provide Commerce with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by Chapter 119, Florida Statutes, or as otherwise provided by law. Attachment A – Scope of Work

1. PROGRAM DESCRIPTION:

On September 16, 2020, Hurricane Sally (DR-4564) swept over the Florida panhandle as a Category 2 hurricane, bringing heavy rainfall and flooding. The impacts of Hurricane Sally further demonstrated the need for an effective, comprehensive long-term recovery plan that would address and meet the remaining needs of Floridians following this catastrophic event. In the wake of this natural disaster, Florida came together to recover and rebuild, but significant unmet needs remain.

Recognizing this, Congress appropriated, and the U.S. Department of Housing and Urban Development (HUD) allocated a total of \$187 million in funding to support long-term recovery efforts following Hurricane Sally through the Florida Department of Commerce's (Commerce's) Community Development Block Grant Disaster Recovery (CDBG-DR) Program. Commerce has allocated \$110,990,384.82 of this funding for the Rebuild Florida Infrastructure Repair Program through the CDBG-DR Program.

Infrastructure activities that are eligible under the Rebuild Florida Infrastructure Repair Program include:

- Restoration of infrastructure damaged by Hurricane Sally (such as water and sewer facilities, streets, removal of debris, drainage, bridges, etc.);
- Demolition and/or rehabilitation of publicly or privately owned commercial or industrial buildings;
- Renourishment of protective coastal dunes systems and state beaches;
- Repairs to damaged buildings that are essential to the health, safety, and welfare of a community when repairs to these buildings constitutes an urgent need (this can include police stations, fire stations, parks and recreational centers, community and senior centers, hospitals, clinics, homeless shelters, schools and educational facilities, and other public properties, including properties serving as emergency shelters); and
- Repairs to water lines and systems, sewer lines and systems, drainage, and flood mitigation systems.

Mitigation activities that are eligible under the Rebuild Florida Infrastructure Repair Program include:

- Development of mitigation standards, regulations, policies, and programs;
- Land use/zoning policies;
- Strong statewide building code and floodplain management regulations;
- Dam safety programs, seawalls, and levee systems;
- Acquisition of flood prone and environmentally-sensitive lands;
- Retrofitting/hardening/elevating structures and critical facilities;
- Relocation of structures, infrastructure, and facilities out of vulnerable areas;
- Permanent relocation of residential housing and businesses located in high-risk areas through voluntary buyback programs, appropriate relocation assistance, and rebuilding in low-risk areas within the neighborhood or areas of opportunity;
- Public awareness/education campaigns; and
- Improvement of warning and evacuation systems.

2. PROJECT DESCRIPTION:

The Escambia County Board of County Commissioners has been awarded **\$26,550,000.00** for CDBG-DR funding to build a new state of the art, energy-efficient and resilient facility for transit operations, to include fixed-route services, ADA and Transportation Disadvantaged paratransit services, and Emergency Operations Distribution Center and/or Emergency Shelter, when necessary. The high velocity winds, wind-blown debris, and wind driven rain of Hurricane Sally damaged the Escambia County Area Transit (ECAT) buildings including the Administration building, bus wash, maintenance facilities, and fuel depot. The ECAT facility suffered extreme water damage due to flooding in the area and severe roof leakage in multiple areas of the building.

This project meets the “Restoration and Repair of infrastructure damaged by Hurricane Sally” Disaster Recovery eligible activity and is allocated \$21,550,000.00 in Disaster Recovery Funds. The project also meets the “Relocation of structures, infrastructure, and facilities” Mitigation Activity and is allocated \$5,000,000.00 for the mitigation set-aside. The relocation and new construction of the ECAT building is vital to future evacuation, shelter, and transportation planning for all income levels.

The project will take place at 100 Clarinda Lane Pensacola, Florida, 32505. The project will consist of the construction of a new ECAT complex that includes the Administration building, bus wash, fuel depot, and maintenance building. The ECAT facility will be built to enhanced hurricane protection area (EHPA) specifications allowing it to function as an emergency shelter and mitigate area flooding with a regional stormwater pond while also providing bus services to assist in evacuations as needed.

- a) The County will directly oversee this project. Grant administration (project implementation), architecture, construction, and construction engineering inspection vendors may be procured to complete this agreement.
- b) The project will meet Low- and Moderate-Income (LMI) National Objective
- c) Escambia County participates in the National Flood Insurance Program (NFIP)

Escambia County will leverage \$350,000 for land acquisitions. Any leverage funds associated with this agreement shall be fully expended prior to utilization of these CDBG-DR funds.

VIII. Nondiscrimination

1. 24 CFR 6

Subrecipient will comply with 24 CFR 6, which implements the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. § 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion or sex, be excluded from participation in, be denied the benefits of or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance. Subrecipient will adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) (Section 504). Section 109 of the HCDA makes these requirements applicable to programs or activities funded in whole or in part with CDBG-DR funds. Thus, Subrecipient shall comply with regulations of 24 CFR 8, which implement section 504 for HUD programs, and the regulations of 24 CFR 146, which implement the Age Discrimination Act for HUD programs.

2. Architectural Barriers Act and the Americans with Disabilities Act

Subrecipient shall ensure that its activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act. The Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed or altered with funds allocated or reallocated under this part after December 11, 1995 and meets the definition of "residential structure" as defined in 24 CFR 40.2 or the definition of "building" as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR 40 for residential structures, and appendix A to 41 CFR 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. §12131; 47 U.S.C. §§ 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural

barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

3. State and Local Nondiscrimination Provisions

Subrecipient must comply with the Florida Small and Minority Business Assistance Act (FS §§ 288.703-288.706); Title VI of the Civil Rights Act of 1964 (24 CFR 1).

A. General Compliance:

Subrecipient shall comply with the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352), as amended. No person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this Subrecipient Agreement. The specific nondiscrimination provisions at 24 CFR 1.4 apply to the use of these funds. Subrecipient shall not intimidate, threaten, coerce or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 CFR 1, or because an individual has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing under 24 CFR 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 24 CFR 1, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

B. Assurances and Real Property Covenants:

As a condition to the approval of this Subrecipient Agreement and the extension of any Federal financial assistance, Subrecipient assures that the program or activities described in this Subrecipient Agreement will be conducted and the housing, accommodations, facilities, services, financial aid, or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part 1.

If the Federal financial assistance under this Subrecipient Agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, Subrecipient's assurance herein shall obligate Subrecipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases, the assurance shall obligate Subrecipient for the period during which Federal financial assistance is extended pursuant to the contract or application. This assurance gives the Grantee and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Subrecipient Agreement or acquired with CDBG-DR funds and provided to Subrecipient under this Subrecipient Agreement, the instrument effecting any disposition by Subrecipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If Subrecipient receives real property interests or funds or for the acquisition of real property interests under this Subrecipient Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

4. Affirmative Action

A. Approved Plan

Subrecipient agrees that it shall carry out pursuant to the Grantee's specifications an Affirmative Action Program in compliance with the President's Executive Order 11246 of September 24, 1965, as amended, and

implementing regulations at 41 CFR 60. The Grantee shall provide Affirmative Action guidelines to Subrecipient to assist in the formulation of such program. Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the release of funds under this Subrecipient Agreement.

B. Women- and Minority-Owned Businesses (W/MBE)

Subrecipient shall take the affirmative steps listed in 2 CFR 200.321(b)(1) through (5) to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible when Subrecipient procures property or services under this Subrecipient Agreement.

C. Notifications

Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of Subrecipient's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

D. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

Subrecipient shall, in all solicitations or advertisements for employees placed by or on behalf of Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

IX. Labor and Employment

1. Labor Standards

Subrecipient shall comply with the in labor standards in section 110 of the Housing and Community Development Act of 1974, as amended and ensure that all laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with assistance received under this Subrecipient Agreement shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. §§ 3141, *et seq.*) and 29 CFR 1, 3, 5, 6 and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than 8 units.

Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. § 874) and its implementing regulations of the U.S. Department of Labor at 29 CFR 3 and part 5. Subrecipient shall maintain documentation that demonstrates compliance with applicable hour and wage requirements. Such documentation shall be made available to the Grantee for review upon request.

X. Section 3 of the Housing and Urban Development Act of 1968

1. Low-Income Person Definition

A low-income person, as this term is defined in Section 3 (b)(2) of the 1937 Act (42 U.S.C. § 1437a(b)(2)). Section 3(b)(2) of the 1937 Act defines this term to mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary of HUD, with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families; or A very low-income person, as this term is defined in Section 3(b)(2) of the 1937 Act (42 U.S.C. § 1437 a(b)(2)). Section 3(b)(2) of the 1937 Act (42 U.S.C. § 1437a(b)(2)) defines this term to mean families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

2. Compliance

Subrecipient shall comply with the provisions of Section 3 of the Housing Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u, and implementing its implementing regulations at 24 CFR 75 (formerly 24 CFR 135). Compliance with Section 3 shall be achieved, to the greatest extent feasible, consistent with existing Federal, state, and local laws and regulations. Accordingly, a subrecipient of Section 3-covered assistance is required to

develop strategies for meeting both the regulatory requirements at 24 CFR 75 and any other applicable statutes or regulations. Subrecipient and any of its contractors and subcontractors shall include the following "Section 3 clause" in every "Section 3-covered contract".

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
 - B. The parties to this contract agree to comply with HUD's regulations in 24 CFR 75, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 75 regulations.
 - C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
 - D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR 75, and agrees to take appropriate actions, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR 75. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR 75.
 - E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR 75.
 - F. Noncompliance with HUD's regulations in 24 CFR 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
 - G. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).
3. **Section 3 Benchmarks and Reporting**
- A. **Benchmarks.** Contracts over \$200,000 trigger Section 3 Benchmark requirements. When triggered, best efforts must be made to extend Section 3 opportunities to verified Section 3 workers and business concerns to meet these *minimum* numeric goals:
 1. Twenty-five percent (25%) of the total hours on a Section 3 project must be worked by Section 3 workers; and
 2. Five percent (5%) of the total hours on a Section 3 project must be worked by Targeted Section 3 workers.
 - B. **Reporting.** If the subrecipient's reporting indicates that the subrecipient has not met the Section 3 benchmarks described in 24 CFR 75.23, pursuant to 24 CFR 75.25(b), the subrecipient must report in a form prescribed by HUD on the qualitative nature of its activities and those its contractors and subcontractors pursued.

Religious organizations are prohibited from engaging in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded with direct financial assistance. An organization that participates in programs funded by direct financial assistance from the Department, in providing services, is prohibited from discriminating against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief. Any restrictions on the use of grant funds shall apply equally to religious and non-religious organizations.

1. Prohibition on Choice Limiting Activities Prior to Environmental Review

Subrecipient must comply with the limitations in 24 CFR 58.22, which imposes limitations on activities pending clearance and specifically limits commitments of HUD funds or non-HUD funds by any participant in the development process before completion of the environmental review. A violation of this requirement may result in a prohibition on the use of Federal funds for the activity. If Commerce has not issued an Authority to Use Grant Funds within 15 days of Subrecipient's submission of the required documentation, Commerce shall provide Subrecipient a written update regarding the status of the review process upon subrecipient request

2. **Air and Water**

Attachment F – Civil Rights Compliance

Fair Housing

As a condition for the receipt of CDBG-DR funds, each Subrecipient must certify that it will "affirmatively further fair housing" in its community. A Subrecipient shall demonstrate its commitment to affirmatively further fair housing by implementing the actions listed below.

Each Subrecipient shall do the following:

- 1) Have in place a fair housing resolution or ordinance that covers all Federally protected classes (race, color, familial status, handicap, national origin, religion and sex);
- 2) Designate an employee as the Fair Housing Coordinator who is available during regular business hours to receive fair housing calls;
- 3) Publish the Fair Housing Coordinator's contact information quarterly in a newspaper of general circulation in Subrecipient's jurisdiction so that people know who to call to ask fair housing questions or register a complaint. Alternatively, Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website;
- 4) Establish a system to record the following for each fair housing call or email:
 - a) The nature of the call or email,
 - b) The actions taken in response to the call or email,
 - c) The results of the actions taken and
 - d) If the caller was referred to another agency, the results obtained by the referral agency;
- 5) Conduct at least one fair housing activity each quarter. Identical activities (see examples below) shall not be conducted in consecutive quarters; and
- 6) Display a fair housing poster in the CDBG-DR Office. (This does not count as a fair housing activity.)

Subrecipient shall ensure that the fair housing contact person has received training so that he/she can handle fair housing phone inquiries or refer the inquiries to the appropriate people/agencies. Records maintained by the contact will help the community do the following:

- Define where discriminatory practices are occurring,
- Help the community measure the effectiveness of its outreach efforts, and
- Provide the community with a means to gain information that can be used to design and implement strategies that will eliminate fair housing impediments.

Examples of fair housing activities include the following:

- Making fair housing presentations at schools, civic clubs and neighborhood association meetings;
- Conducting a fair housing poster contest or an essay contest;
- Manning a booth and distributing fair housing materials at libraries, health fairs, community events, yard sales and church festivals; and
- Conducting fair housing workshops for city/county employees, realtors, bank and mortgage company employees, insurance agents and apartment complex owners.

Printing a fair housing notice on a utility bill is no longer accepted as a fair housing activity; however, mailing a Commerce-approved fair housing brochure as an insert with utility bills will be accepted as an activity. Placing posters in public buildings does not meet the requirement for a fair housing activity.

Subrecipient shall document its fair housing activities by keeping photographs, newspaper articles, sign-in sheets and copies of handouts in their CDBG-DR project file and include information about the activities in the comment section of each quarterly report.

Equal Employment Opportunity

As a condition for the receipt of CDBG-DR funds, each Subrecipient must certify that it and the contractors, subcontractors, subrecipients and consultants that it hires with CDBG-DR funds will abide by the Equal Employment Opportunity (EEO) Laws of the United States. A Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

Each Subrecipient shall do the following:

- 1) Have in place an equal employment opportunity resolution or ordinance that protects its applicants and employees and the applicants and employees of its contractors, subcontractors, subrecipients and consultants from discrimination in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment, on the basis of race, color, religion, sex, national origin, disability, age or genetics;
- 2) Designate an employee as the EEO Coordinator who is available during regular business hours to receive EEO calls;
- 3) Publish the EEO Coordinator's contact information quarterly in a newspaper of general circulation in Subrecipient's jurisdiction so that people know who to call to ask EEO questions or register a complaint. Alternatively, Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
- 4) Establish a system to record the following for each EEO call:
 - a) The nature of the call,
 - b) The actions taken in response to the call and
 - c) The results of the actions taken;
- 5) Each Subrecipient shall maintain a list of certified minority-owned business enterprises (MBE) and women-owned business enterprises (WBE) that operate in its region. Subrecipient shall use this list to solicit companies to bid on CDBG-DR-funded construction activities and shall provide a copy of the list to the prime contractor(s) to use when it hires subcontractors and consultants. The Florida Department of Management Services maintains a list of certified minority- and women-owned businesses that can be used to develop a local MBE/WBE list at the following website: <https://osd.dms.myflorida.com/directories>.
- 6) Incorporate the Equal Employment Opportunity clause set forth in 41 CFR 60-1.4(b) into any contracts or subcontracts that meets the definition of "federally assisted construction contract" in 41 CFR 60-1.3.

Section 504 and the Americans with Disabilities Act (ADA)

As a condition for the receipt of CDBG-DR funds, Subrecipient must certify that it provides access to all federally funded activities to all individuals, regardless of handicap. Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

Subrecipient shall do the following:

- 1) Have in place a resolution or ordinance that is designed to eliminate discrimination against any person who:
 - a) Has a physical or mental impairment which substantially limits one or more major life activities,
 - b) Has a record of such an impairment, or

- c) Is regarded as having such an impairment;
- 2) Designate an employee as the section 504/ADA Coordinator who is available during regular business hours to receive section 504/ADA calls;
- 3) Publish the section 504/ADA Coordinator's contact information quarterly in a newspaper of general circulation in Subrecipient's jurisdiction so that people know who to call to ask section 504/ADA questions or register a complaint. Alternatively, Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
- 4) Establish a system to record the following for each section 504/ADA call:
 - a) The nature of the call,
 - b) The actions taken in response to the call and
 - c) The results of the actions taken.

Section 504 prohibitions against discrimination (see 45 CFR 84) apply to service availability, accessibility, delivery, employment and the administrative activities and responsibilities of organizations receiving Federal financial assistance. A Subrecipient of Federal financial assistance may not, on the basis of disability:

- Deny qualified individuals the opportunity to participate in or benefit from Federally funded programs, services or other benefits,
- Deny access to programs, services, benefits or opportunities to participate as a result of physical barriers, or
- Deny employment opportunities, including hiring, promotion, training and fringe benefits, for which they are otherwise entitled or qualified.

The ADA regulations (Title II, 28 CFR 35, and Title III, 28 CFR 36) prohibit discrimination on the basis of disability in employment, State and local government, public accommodations, commercial facilities, transportation, and telecommunications. To be protected by the ADA, one must have a disability or have a relationship or association with an individual with a disability.

Title II covers all activities of state and local governments regardless of the government entity's size or receipt of Federal funding. Title II requires that State and local governments give people with disabilities an equal opportunity to benefit from all of their programs, services and activities (e.g. public education, employment, transportation, recreation, health care, social services, courts, voting and town meetings). State and local governments are required to follow specific architectural standards in the new construction and alteration of their buildings. They also must relocate programs or otherwise provide access in inaccessible older buildings, and communicate effectively with people who have hearing, vision or speech disabilities.

Title III covers businesses and nonprofit service providers that are public accommodations, privately operated entities offering certain types of courses and examinations, privately operated transportation and commercial facilities. Public accommodations are private entities who own, lease, lease to or operate facilities such as restaurants, retail stores, hotels, movie theaters, private schools, convention centers, doctors' offices, homeless shelters, transportation depots, zoos, funeral homes, day care centers and recreation facilities including sports stadiums and fitness clubs. Transportation services provided by private entities are also covered by Title III.

Section 3 - Economic Opportunities for Low- and Very Low-Income Persons

Each Subrecipient shall encourage its contractors to hire qualified low- and moderate-income residents for any job openings that exist on CDBG-DR-funded projects in the community. Per 29 CFR 75, Subrecipients and their contractors must track and document the number of Section 3 and Targeted Section 3 labor hours worked by low- and moderate-income individuals on CDBG-DR-funded projects. This detailed account of labor hours should then be included in the comments section of each quarterly report.

The following Section 3 clause is required to be included in any contracts and subcontracts funded by this Subrecipient Agreement:

Section 3 Clause

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are Subrecipients of HUD assistance for housing.
- B. The Parties to this contract agree to comply with HUD's regulations in 24 CFR 75, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 75 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR 75. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR 75.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled: (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR 75.
- F. Noncompliance with HUD's regulations in 24 CFR 75 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

Civil Rights Regulations

As a condition for the receipt of CDBG-DR funds, each Subrecipient must certify that it will abide by the following Federal laws and regulations:

1. Title VI of the Civil Rights Act of 1964 – Prohibits discrimination by government agencies that receive Federal funding;
2. Title VII of the Civil Rights Act of 1964 – prohibits employment discrimination on the basis of race, color, religion, sex or national origin;
3. Title VIII of the Civil Rights Act of 1968 – as amended (the Fair Housing Act of 1988);
4. 24 CFR 570.487(b) – Affirmatively Furthering Fair Housing;
5. 24 CFR 570.490(b) – Unit of general local government's record;

8. Executive Order 12892 – Leadership and Coordination of Fair Housing in Federal Programs: Affirmatively Furthering Fair Housing;
9. Section 109 of the Housing and Community Development Act of 1974 – No person shall be excluded from participation in, denied benefits of or subjected to discrimination under any program or activity receiving CDBG-DR funds because of race, color, religion, sex or national origin;
10. Section 504 of the Rehabilitation Act of 1973 and 24 CFR 8, which prohibits discrimination against people with disabilities;
11. Executive Order 11063 – Equal Opportunity in Housing;
12. Executive Order 11246 – Equal Employment Opportunity; and
13. Section 3 of the Housing and Urban Development Act of 1968, as amended – Employment/Training of Lower Income Residents and Local Business Contracting.

The following reports must be completed and submitted to Commerce in the time frame indicated below. Failure to timely file these reports constitutes an Event of Default, as defined in Paragraph (10) Default, of this Subrecipient Agreement.

1. **Monthly Progress Report** must be submitted to Commerce five (5) calendar days after the end of each month.
2. A **Quarterly Progress Report** must be submitted to Commerce on forms to be provided by Commerce no later than the 5th of every April, July, October and January.

Activities during this close-out period may include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances and accounts receivable to the Grantee) and determining the custodianship of records.

Notwithstanding the terms of 2 CFR 200.343, upon the expiration of this Subrecipient Agreement, Subrecipient shall transfer to Commerce any unobligated, residual CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. Further, any real property under Subrecipient's control that was acquired or improved in whole or in part with CDBG funds (including CDBG funds provided to Subrecipient in the form of a loan) shall be treated in accordance with 24 CFR 570.503(b)(7).

4. In accordance with 2 CFR 200, should Subrecipient meet the threshold for submission of a single or program specific audit, the audit must be conducted in accordance with 2 CFR 200 and submitted to Commerce no later than nine months from the end of Subrecipient's fiscal year. If Subrecipient did not meet the audit threshold, an **Audit Certification Memo** must be provided to Commerce Grant Manager no later than nine months from the end of Subrecipient's fiscal year.
5. A copy of the **Audit Compliance Certification** form, **Attachment J**, must be emailed to audit@Commerce.fl.gov and Commerce Grant Manager within sixty (60) calendar days of the end of each fiscal year in which this subgrant was open.

Attachment H – Warranties and Representations

Financial Management

Subrecipient's financial management system must comply with the provisions of 2 CFR 200 (and particularly 2 C.F.R 200.302 titled "Financial Management"), section 218.33, Florida Statutes, and include the following:

- (1) Accurate, current and complete disclosure of the financial results of this project or program.
- (2) Records that identify the source and use of funds for all activities. These records shall contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.
- (3) Effective control over and accountability for all funds, property and other assets. Subrecipient shall safeguard all assets and assure that they are used solely for authorized purposes.
- (4) Comparison of expenditures with budget amounts for each Request for Funds (RFF). Whenever appropriate, financial information should be related to performance and unit cost data.
- (5) Written procedures to determine whether costs are allowed and reasonable under the provisions of the 2 CFR 200 (and particularly 2 CFR 200, Subpart E, titled "Costs Principles") and the terms and conditions of this Subrecipient Agreement.
- (6) Cost accounting records that are supported by backup documentation.

Competition

All procurement transactions must follow the provisions of 2 CFR 200.318-200.327 and be conducted in a manner providing full and open competition. Subrecipient shall be alert to conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids or requests for proposals shall be excluded from competing for such procurements. Awards must be made to the responsible and responsive bidder or offeror whose proposal is most advantageous to the program, considering the price, quality and other factors. Solicitations shall clearly set forth all requirements that the bidder or offeror must fulfill in order for the bid or offer to be evaluated by Subrecipient. Any and all bids or offers may be rejected if there is a sound, documented reason.

Codes of Conduct

Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer or agent shall participate in the selection, award or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated, has a financial or other interest in a tangible personal benefit from a firm considered for a contract. The officers, employees and agents of Subrecipient shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors or parties to subcontracts. The standards of conduct must provide for disciplinary actions to be applied for violations of the standards by officers, employees or agents of the Subrecipient. (*See* 2 CFR 200.318(c)(1)).

Business Hours

Subrecipient shall have its offices open for business, with the entrance door open to the public, and at least one employee on site at all reasonable times for business. "Reasonable" shall be construed according to circumstances, but ordinarily shall mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

Licensing and Permitting

All contractors or employees hired by Subrecipient shall have all current licenses and permits required for all of the particular work for which they are hired by Subrecipient.

Attachment I – Audit Requirements

The administration of resources awarded by Commerce to Subrecipient may be subject to audits and/or monitoring by Commerce as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes, as revised (see “AUDITS” below), monitoring procedures may include, but not be limited to, on-site visits by Commerce staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Subrecipient Agreement, Subrecipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by Commerce. In the event Commerce determines that a limited scope audit of Subrecipient is appropriate, Subrecipient agrees to comply with any additional instructions provided by Commerce staff to Subrecipient regarding such audit. Subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED. This part is applicable if Subrecipient is a state or local government or nonprofit organization as defined in 2 CFR 200.1.

1. A Subrecipient that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. **EXHIBIT 1** to this form lists the federal resources awarded through Commerce by this Subrecipient Agreement. In determining the federal awards expended in its fiscal year, Subrecipient shall consider all sources of federal awards, including federal resources received from Commerce. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the Subrecipient conducted by the Auditor General in accordance with the provisions of 2 CFR 200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, Subrecipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.
3. A Subrecipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If Subrecipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from Subrecipient resources obtained from other than federal entities).

PART II: STATE FUNDED. This part is applicable if Subrecipient is a non-state entity as defined by section 215.97(2), Florida Statutes.

1. In the event that Subrecipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such Subrecipient (for fiscal years ending June 30, 2017, and thereafter), Subrecipient must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, Florida Statutes; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. **EXHIBIT 1** to this form lists the state financial assistance awarded through Commerce by this Subrecipient Agreement. In determining the state financial assistance expended in its fiscal year, Subrecipient shall consider all sources of state financial assistance, including state financial assistance received from Commerce, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and

resources received by a nonstate entity for federal program matching requirements.

2. For the audit requirements addressed in Part II, paragraph 1, Subrecipient shall ensure that the audit complies with the requirements of section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of section 215.97, Florida Statutes, is not required. If Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from Subrecipient's resources obtained from other than state entities).

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to section 215.97(8), FLORIDA STATUTES, State agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with section 215.97, FLORIDA STATUTES. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

2 CFR Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. § 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. §§ 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874 and 40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. § 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). State of Florida Department of Commerce

Federally Funded Community Development Block Grant Disaster Recovery (CDBG-DR) Subrogation Agreement

This Subrogation and Assignment Agreement (“Agreement”) is made and entered by and between Escambia County (“Subrecipient”) and the State of Florida, Department of Commerce (“Commerce”).

In consideration of Subrecipient’s receipt of funds or the commitment by Commerce to evaluate Subrecipient’s application for the receipt of funds (collectively, the “Grant Proceeds”) under the Commerce Community Development Block Grant-Disaster Recovery Program (the “CDBG-DR Program”) administered by Commerce, Subrecipient hereby assigns to Commerce all of Subrecipient’s future rights to reimbursement and all payments received from any grant, subsidized loan, lawsuit or insurance policies of any type or coverage or under any reimbursement or relief program related to or administered by the Federal Emergency Management Agency (“FEMA”) or the Small Business Administration (“SBA”) (singularly, a “Disaster Program” and collectively, the “Disaster Programs”) that was the basis of the calculation of Grant Proceeds paid or to be paid to Subrecipient under the CDBG-DR Program and that are determined in the sole discretion of Commerce to be a duplication of benefits (“DOB”) as provided in this Agreement.

The proceeds or payments referred to in the preceding paragraph, whether they are from insurance, FEMA or the SBA or any other source, and whether or not such amounts are a DOB, shall be referred to herein as “Proceeds,” and any Proceeds that are a DOB shall be referred to herein as “DOB Proceeds.” Upon receiving any Proceeds, Subrecipient agrees to immediately notify Commerce who will determine in its sole discretion if such additional amounts constitute a DOB. If some or all of the Proceeds are determined to be a DOB, the portion that is a DOB shall be paid to Commerce, to be retained and/or disbursed as provided in this Agreement. The amount of DOB determined to be paid to Commerce shall not exceed the amount received from the CDBG-DR Program.

Subrecipient agrees to assist and cooperate with Commerce to pursue any of the claims Subrecipient has against the insurers for reimbursement of DOB Proceeds under any such policies. Subrecipient’s assistance and cooperation shall include but shall not be limited to allowing suit to be brought in Subrecipient’s name(s) and providing any additional documentation with respect to such consent, giving depositions, providing documents, producing record and other evidence, testifying at trial and any other form of assistance and cooperation reasonably requested by Commerce. Subrecipient further agrees to assist and cooperate in the attainment and collection of any DOB Proceeds that Subrecipient would be entitled to under any applicable Disaster Program.

If requested by Commerce, Subrecipient agrees to execute such further and additional documents and instruments as may be requested to further and better assign to Commerce, to the extent of the Grant Proceeds paid to Subrecipient under the CDBG-DR Program, the Policies, any amounts received under the Disaster Programs that are DOB Proceeds and/or any rights thereunder, and to take, or cause to be taken, all actions and to do, or cause to be done, all things requested by Commerce to consummate and make effective the purposes of this Agreement.

Subrecipient explicitly allows Commerce to request of any company with which Subrecipient held insurance policies, or FEMA or the SBA or any other entity from which Subrecipient has applied for or is receiving Proceeds, any non-public or confidential information determined to be reasonably necessary by Commerce to monitor/enforce its interest in the rights assigned to it under this Agreement and give Subrecipient's consent to such company to release said information to Commerce.

If Subrecipient (or any lender to which DOB Proceeds are payable to such lender, to the extent permitted by superior loan documents) hereafter receives any DOB Proceeds, Subrecipient agrees to promptly pay such amounts to Commerce, if Subrecipient received Grant Proceeds under the CDBG-DR Program in an amount greater than the amount Subrecipient would have received if such DOB Proceeds had been considered in the calculation of Subrecipient's award.

In the event that Subrecipient receives or is scheduled to receive any subsequent Proceeds, Subrecipient shall pay such subsequent Proceeds directly to Commerce, and Commerce will determine the amount, if any, of such subsequent Proceeds that are DOB Proceeds ("Subsequent DOB Proceeds"). Subsequent Proceeds in excess of Subsequent DOB Proceeds shall be returned to Subrecipient. Subsequent DOB Proceeds shall be disbursed as follows:

1. If Subrecipient has received full payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be retained by Commerce.
2. If Subrecipient has received no payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be used by Commerce to reduce payments of the Grant Proceeds to Subrecipient, and all Subsequent DOB Proceeds shall be returned to Subrecipient.
3. If Subrecipient has received a portion of the Grant Proceeds, any Subsequent DOB Proceeds shall be used, retained and/or disbursed in the following order: (A) Subsequent DOB Proceeds shall first be used to reduce the remaining payments of the Grant Proceeds, and Subsequent DOB Proceeds in such amount shall be returned to Subrecipient; and (B) any remaining Subsequent DOB Proceeds shall be retained by Commerce.
4. If Commerce makes the determination that Subrecipient does not qualify to participate in the CDBG-DR Program or Subrecipient determines not to participate in the CDBG-DR Program, the Subsequent DOB Proceeds shall be returned to Subrecipient, and this Agreement shall terminate.

Once Commerce has recovered an amount equal to the Grant Proceeds paid to Subrecipient, Commerce will reassign to Subrecipient any rights assigned to Commerce pursuant to this Agreement.

Subrecipient represents that all statements and representations made by Subrecipient regarding Proceeds received by Subrecipient shall be true and correct as of the date of the signing of this Agreement.

Warning: Any person who intentionally or knowingly makes a false claim or statement to HUD may be subject to civil or criminal penalties under 18 U.S.C. § 287, 18 U.S.C. § 1001, and 31 U.S.C. § 3729.

The person executing this Agreement on behalf of Subrecipient hereby represents that he\she has received, read, and understands this notice of penalties for making a false claim or statement regarding Proceeds received by Subrecipient.
