

Innerarity Point Road Area Drainage Improvements

02/26/2019

Location	Length	Const Cost	Funding Source	
Bob O Link Rd, Gorham Rd, Cruzat Way, Sundown Rd	4,400 ft	\$375,250	LOST	\$ 375,250

District 2

The Innerarity Point Road Area Drainage Improvement Project is a Local Option Sales Tax (LOST) funded project that will consist of upgrading the existing stormwater conveyance systems along Bob O Link Road, Gorham Road, and Cruzat Way. In addition, the roadways on Bob O Link Road, Gorham Road, and Cruzat Way will be resurfaced, and Sundown Road (dirt road) will be paved.

A length of asphalt pavement to be installed is 4,400 feet, with 750 feet of drainage improvements as well.
