

MAXWELL STREET DRAINAGE IMPROVEMENTS 2/22/2019

District 3

Location	Length	Construction Cost	Funding Source	
Maxwell St. at N. "H" St.	300 ft.	\$46,181.80	LOST	\$135,434.00

The Maxwell St., Drainage Improvement Project is a funded design project to mitigate a drainage issue with a drainage design improvement to address flooding concern in the area of W. Maxwell St. and W. Jordan St. between N J St. and N H St. The project consists of installing concrete ditch pavement along Maxwell St. adjacent to the Caughey Arms Apartments.
