

Muscogee Road West Widening and Drainage Improvement Project

02/21/2019

Location	Length	Design Cost	Funding Source	
Muscogee Road West (Perdido River to CR 97)	3.1 Miles	\$521,463	LOST	
			EDTF/SFG	\$2,407,712

The Muscogee Road West Widening and Drainage Improvement Project is located in District 5 and spans from Perdido River to County Road 97. Portions of this project have been completed (Beulah Road to Carlisle Drive) while the remaining is either awaiting funding for construction (Perdido River to Beulah Road) or requiring property acquisition. The project will include drainage improvements along with adding 5' paved shoulders and 12' travel lanes. Improvements will also be made to intersections that may include turn lanes or tapers where applicable.

The County is currently pursuing property acquisition to complete the remaining west phase (Carlisle Drive to CR 97).
