## NOTICE

In accordance with Sec. 46-110(e) of the Escambia Code of Ordinances, all bid solicitation documents shall include the following notice to vendors of the local vendor preference policy:

(revised 1/21/2016)

### **Sec. 46-110.-Local Preference in Bidding**

(d) **Preference in purchase of commodities and services by means of competitive bid.**

Except where federal or state law, or any other funding source, mandates to the contrary, Escambia County may give preference to local businesses in the following manner:

**Competitive bid (local price match option).** Each formal competitive bid solicitation (i.e. sealed bids) shall clearly identify how the price order of the bids received will be evaluated and determined.

When a qualified and responsive, non-local business submits the lowest price bid amount between \$50,000.00 and \$249,999.00, and the bid submitted by one or more qualified and responsive local businesses is within **five percent** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between \$50,000.00 and \$249,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated Community Redevelopment Area (CRA) is within **seven percent** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between \$250,000.00 and \$999,999.00, and the bid submitted by one or more qualified and responsive local businesses is within **three percent** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount between \$250,000.00 and \$999,999.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within **five percent** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of \$1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses is within **two percent** of the price submitted by the non-local business, then the local business with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

When a qualified and responsive, non-local business submits the lowest price bid amount in excess of \$1,000,000.00, and the bid submitted by one or more qualified and responsive local businesses with a fixed office or distribution point located in a designated CRA is within **four percent** of the price submitted by the non-local business, then the local business located in a designated CRA with the apparent lowest bid offer (i.e., the lowest local bidder) shall have the opportunity to submit an offer to match the price(s) offered by the overall lowest, qualified and responsive non-local bidder.

In such instances, staff shall first verify whether the lowest non-local bidder and the lowest local bidder are in fact qualified and responsive bidders. Next, the purchasing department shall invite the lowest local bidder in writing to submit a matching offer which shall be submitted in writing to the office of purchasing within five business days thereafter.

If the lowest local bidder does not respond or otherwise submits a written offer that does not fully match the lowest bid from the lowest non-local bidder tendered previously then award shall be made to the lowest overall qualified and responsive non-local bidder.

In the event a local bidder is awarded a contract pursuant to this section, any requests for change orders increasing the cost of the project must be approved by the board of county commissioners.

- (e) *Notice.* All bid solicitation documents shall include notice to vendors of the local preference policy.
- (f) *Waiver of the application of local preference.* The application of local preference to a particular purchase or contract for which the board of county commissioners is the awarding authority may be waived upon approval of the board of county commissioners.
- (g) *Limitations.*
  - (1) The provisions of this section shall apply only to procurements which are above the formal bid threshold as set forth in the Escambia County Purchasing Code.
  - (2) The provisions of this section shall not apply where prohibited by federal or Florida law or where prohibited under the conditions of any grant.
  - (3) The provisions of this section shall not apply to any purchase exempted from the provisions of the Escambia County Purchasing Code.
  - (4) The provisions of this section shall not apply to contracts made under the Consultants Competitive Negotiation Act (CCNA), F.S. § 287.055.

Effective July 1, 2015, the County **may not** use a local preference “for a competitive solicitation for **construction services** in which **50 percent or more** of the cost will be paid from state appropriated funds which have been appropriated at the time of the competitive solicitation. For any such solicitation, the County must disclose in the bid package that “any applicable local ordinance or regulation does not include any local preference...” See §255.0991, Florida Statutes.

17. **Award**

Award shall be made on an "all-or-none total" basis.

The offeror or contractor will be required to fully comply with all applicable federal, state, and local regulations. The offeror should carefully review these requirements which are detailed in this solicitation.

18. **Termination**

The purchase order or contract will be subject to immediate termination if either product or service does not comply with specifications as stated herein or fails to meet the county's performance standards. In the event that any of the provisions of the contract are violated by awarded vendor, Escambia County may serve written notice upon the awarded vendor of its intention to terminate the contract. Such notice is to state the reason(s) for such intention to terminate contract. The liability of the vendor for any and all such violation(s) shall not be affected by any such termination and his surety, if any, shall be forfeited.

19. **Termination (Services)**

The Contract Administrator shall notify the Office of Purchasing of unsatisfactory performance and/or deficiencies in service that remain unresolved or recurring. The Office of Purchasing shall notify the contractor, in writing, of such unresolved or recurring deficiencies within five (5) working days of notification by the Contract Administrator.

20. **Termination (Public Records Request)**

If the contractor refuses to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the contractor in conjunction with this agreement then the county may, without prejudice to any right or remedy and after giving the contractor and his surety, if any, seven (7) days written notice, during which period contractor still fails to allow access, terminate the employment of the contractor and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon, owned by the contractor, and may finish the project by whatever method it may deem expedient. In such case, the contractor shall not be entitled to receive any further payment until the project is finished. Reasonable terminal expenses incurred by the county may be deducted from any payments left owing the contractor (excluding monies owed the contractor for subcontract work.)

**Insurance Requirements**

22. **Standard Insurance Requirements and Certificates**

This offer contains an extensive insurance requirement. Offerors are encouraged to review these requirements with their insurance agents before submitting offers.

It is not necessary to have this level of insurance in effect at the time of submitting the offer.

A letter from the offeror's insurance carrier will be required as evidence that the offeror will be able to obtain the levels of insurance as required by the contract and indicated on the Sample Certificate of Insurance should your firm be awarded the contract.

**County Insurance Required**

The contractor shall procure and maintain the following described insurance, except for coverages specifically waived by the County. Such policies shall be from insurers with a minimum financial size of VII according to the latest edition of the AM Best Rating Guide. An A or better Best Rating is "preferred"; however, other ratings if "Secure Best Ratings" may be considered. Such policies shall provide coverages for any or all claims which may arise out of, or result from, the services, work and operations carried out pursuant to and under the requirements of the contract documents, whether such services, work and operations be by the contractor, its employees, or by subcontractor(s), or anyone employed by or under the supervision of any of them, or for whose acts any of them may be legally liable.

The contractor shall require, and shall be responsible for assuring throughout the time the agreement is in effect, that any and all of its subcontractors obtain and maintain until the completion of that subcontractor's work, such of the insurance coverages described

herein as are required by law to be provided on behalf of their employees and others.

The required insurance shall be obtained and written for not less than the limits of liability specified hereinafter, or as required by law, whichever is greater.

These insurance requirements shall not limit the liability of the contractor.

The County does not represent these types or amounts of insurance to be sufficient or adequate to protect the contractor's interests or liabilities, but are merely minimums.

Except for workers compensation and professional liability, the contractor's insurance policies shall be endorsed to name Escambia County as an additional insured to the extent of its interests arising from this agreement, contract or lease.

The contractor waives its right of recovery against the County, to the extent permitted by its insurance policies.

The contractor's deductibles/self-insured retentions shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County. The contractor is responsible for the amount of any deductible or self-insured retention.

Insurance required of the contractor or any other insurance of the contractor shall be considered primary, and insurance of the county, if any, shall be considered excess, as may be applicable to claims obligations which arise out of this agreement, contract or lease.

**Workers Compensation Coverage**

The contractor shall purchase and maintain workers compensation insurance for all workers compensation obligations imposed by state law and with employers liability limits of at least \$100,000 each accident and \$100,000 each employee/\$500,000 policy limit for disease, or a valid certificate of exemption issued by the state of Florida, or an affidavit in accordance with the provisions of Florida Workers Compensation law.

Contractor shall also purchase any other coverages required by law for the benefit of employees.

**General, Automobile and Excess or Umbrella Liability Coverage**

The contractor shall purchase and maintain coverage on forms no more restrictive than the latest editions of the commercial general liability and business auto policies of the insurance services office.

Minimum limits of \$1,000,000 per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employers liability required in the workers compensation coverage section) and the total amount of coverage required.

**General Liability Coverage - Occurrence Form Required**

Coverage A shall include bodily injury and property damage liability for premises, operations, products and completed operations, independent contractors, contractual liability covering this agreement, contract or lease, broad form property damage coverages, and property damage resulting from explosion, collapse or underground (x,c,u) exposures.

Coverage B shall include personal injury.

Coverage C, medical payments, is not required.

The contractor is required to continue to purchase products and completed operations coverage, at least to satisfy this agreement, contract or lease, for a minimum of three years beyond the County's acceptance of renovation or construction projects.

**Business Auto Liability Coverage**

Business auto liability coverage is to include bodily injury and property damage arising out of ownership, maintenance or use of any auto, including owned, nonowned and hired automobiles and employee nonownership use.

**The General Liability and Business Auto Liability policies shall be endorsed to include Escambia County as an additional insured and provide for 30 day notification of cancellation.**

**Excess or Umbrella Liability Coverage (If utilized to achieve required policy limits.)**

Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restrictive than the underlying insurance policy coverages. Umbrella coverage shall drop down to provide coverage where the underlying limits are exhausted.

**Builders Risk Coverage**

Builders risk insurance is to be purchased to cover subject property for all risks of loss, subject to a waiver of coinsurance, and covering off-site storage, transit and installation risks as indicated in the installation floater and motor truck cargo insurance described hereafter, if such coverages are not separately provided.

The builders risk insurance is to be endorsed to cover the interests of all parties, including the county and all contractors and subcontractors. The insurance is to be endorsed to grant permission to occupy.

**Evidence/Certificates of Insurance**

Required insurance shall be documented in certificates of insurance. If and when required by the County, certificates of insurance shall be accompanied by documentation that is acceptable to the County establishing that the insurance agent and/or agency issuing the certificate of insurance has been duly authorized, in writing, to do so by and on behalf of each insurance company underwriting the insurance coverage(s) indicated on each certificate of insurance.

New certificates of insurance are to be provided to the County at least 30 days prior to coverage renewals. Failure of the contractor to provide the County with such renewal certificates may be considered justification for the County to terminate this agreement, contract or lease.

Certificates should contain the following additional information:

1. Indicate that Escambia County is an additional insured on the liability policy.
2. Include a reference to the project and the Office of Purchasing number.
3. Disclose any self-insured retentions in excess of \$1,000.

4. Designate Escambia County as the certificate holder as follows:

Escambia County  
Attention: Eddie H. Wehmeier  
Purchasing Specialist  
Office of Purchasing, Room 11.101  
P.O. Box 1591  
Pensacola, FL 32591-1591  
Fax (850) 595-4805

5. Indicate that the County shall be notified at least 30 days in advance of cancellation.

Receipt of certificates or other documentation of insurance or policies or copies of policies by the county, or by any of its representatives, which indicate less coverage than required does not constitute a waiver of the contractor's obligation to fulfill the insurance requirements herein.

If requested by the County, the contractor shall furnish complete copies of the contractor's insurance policies, forms and endorsements, and/or such additional information with respect to its insurance as may be requested.

For commercial general liability coverage the contractor shall, at the option of the County, provide an indication of the amount of claims payments or reserves chargeable to the aggregate amount of liability coverage.

24. **Indemnification**

Contractor agrees to save harmless, indemnify, and defend County and Architect/Engineer and their, agents, officers and employees from any and all claims, losses, penalties, interest, demands, judgments, and costs of suit, including attorneys' fees and paralegals' fees, for any expense, damage or liability incurred by any of them, whether for personal injury, death, property damage, direct or consequential damages, or economic loss, including environmental impairment, arising directly or indirectly on account of or in connection with the Work done by Contractor under this Agreement or by any person, firm or corporation to whom any portion of the Work is subcontracted by Contractor or resulting from the use by Contractor, or by any one for whom Contractor is legally liable, of any materials, tools, machinery or other property of County. County and Contractor agree the first \$100.00 of the Contract Amount paid by County to Contractor shall be given as separate consideration for this indemnification, and any other indemnification of County by Contractor provided for within the Contract Documents, the sufficiency of such separate consideration being acknowledged by Contractor by Contractor's acceptance and execution of the Agreement. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion or omission from any policy of insurance. The Contractor agrees to pay on behalf of Escambia County, as well as provide a legal defense for the County, both of which will be done only if and when requested by the County, for all claims made. Such payment on the behalf of the County shall be in addition to any and all other legal remedies available to the County and shall not be considered to be the County's exclusive remedy.

Any materials purchased by County pursuant to such an assignment of a material supply subcontract or agreement shall be referred to as "Owner Direct Purchases" (ODP) and the responsibilities of both County and Contractor relating to such ODP shall be governed by the terms and conditions of these Supplementary Conditions, which shall take precedence over other conditions and terms of the Contract Documents where inconsistencies or conflicts exist.

1.2 Material suppliers shall be selected by Contractor using competitive bidding/proposals. Supply contracts shall be awarded by the Contractor to the supplier whose bid/proposal is most advantageous to the County, price and other factors considered.

The Contractor shall include the price for all construction materials in lump sum price in his bid. His bid shall also include all Florida State sales and other taxes normally applicable to such material and equipment. The County may consider purchasing any item but does not expect to issue purchase orders for less than \$5,000. County-Purchasing of selected construction materials will be administered on a deductive Change Order basis.

1.3 Contractor shall provide County a list of all intended suppliers, vendors, and material men for consideration as ODP. This list shall be submitted at the same time as the preliminary schedule of values and the project CPM schedule. The Contractor shall submit price quotes from the vendors, as well as a description of the materials to be supplied, estimated quantities and prices.

1.4 Upon request from County, and in a timely manner, Contractor shall prepare Purchasing Requisition Request Form which shall, in form and detail acceptable to County, specifically identify the materials which County may, in its discretion, elect to purchase directly. The Purchasing Requisition Request Form shall include:

- a. the name, address, telephone number and contact person for the material supplier
- b. manufacturer or brand, model or specification number of the item
- c. quantity needed as estimated by Contractor
- d. the price quoted by the supplier for the materials identified therein
- e. any sales tax associated with such quote
- f. delivery dates as established by Contractor
- g. any reduction in Contractor's cost for both the Payment Bond and the Performance Bond
- h. shipping, handling and insurance costs
- i. detail concerning bonds or letters of credit provided by the supplier if included in his/her proposal
- j. Special terms and conditions which have been negotiated with the supplier relative to payment terms, discounts, rebates, warranty, credits or other terms

and conditions which will revert to the Owner.

Contractor shall include copies of vendors' quotations and specifically reference any terms and conditions, which have been negotiated with the vendors concerning letters of credit, terms, discounts, or special payments.

At the County's option, the County will install a computer with the appropriate software and dial-up modem connection in the Contractor's office for the Contractor's use in entering requisition requests into the purchasing system. The required telephone line will be the responsibility of the Contractor.

- 1.5 After receipt of the Purchasing Requisition Request Form, County shall prepare a Purchase Order for all items of material, which County chooses to purchase directly. The purchase order shall be sent to the vendor with a copy sent to the contractor. Pursuant to the Purchase Order, the vendor will provide the required quantities of material at the price established in the vendor's quote to the contractor, excluding any sales tax associated with such price. The Contract Administrator shall be the approving authority for the County on Purchase Orders in conjunction with ODP. The Purchase Order shall also require the delivery of the ODP on the delivery dates provided by the Contractor in the Purchasing Requisition Request Form.
- 1.6 In conjunction with the execution of the Purchase Orders by the suppliers, Contractor shall execute and deliver to County one or more deductive Change Orders, referencing the full value of all ODP to be provided by each supplier from whom the County elected to purchase material directly, plus all sales taxes associated with such materials in Contractor's bid to County, plus any savings to Contractor in the cost of Payment and Performance Bonds associated with such ODP. To compensate the Contractor for the warranty enforcement obligation the Contractor's overhead and profit associated with ODP shall not be deducted from the contract. The Contract Administrator shall be the approving authority for the County on deductive Change Orders in conjunction with ODP.
- 1.7 Contractor shall be fully responsible for all matters relating to the procurement of materials furnished by and incorporated into the Project in accordance with these Supplementary Conditions including, but not limited to, assuring the correct quantities, placing the order in a timely manner, and assuring coordination of purchases, providing and obtaining all warranties and guarantees required by the Contract Documents, inspection and acceptance of the goods at the time of delivery. The Contractor shall coordinate delivery schedules, sequence of delivery, loading orientation, and other arrangements normally required by the Contractor for the particular materials furnished. The Contractor shall provide all services required for the unloading, handling and storage of materials through installation. The County assumes the risk of loss of building material through their incorporation into the installation.
- 1.8 As ODP are delivered to the jobsite, the Contractor shall visually inspect all shipments from the suppliers, and sign off on the receiving reports for material delivered. The Contractor shall assure that each delivery of ODP is accompanied by documentation adequate to identify the Purchase Order against which the purchase is made. This documentation may consist of a delivery ticket and an invoice from the supplier conforming to the Purchase Order together with such additional information as the County may require. The Contractor will then forward the receiving report to the Clerk of the Court, Accounts Payable to match

up with the invoice for payment.

- 1.9 The Contractor shall insure that ODP conform to the Specifications, and determine prior to incorporation into the Work if such materials are patently defective, and whether such materials are identical to the materials ordered and match the description on the bill of lading. If the Contractor discovers defective or non-conformities in ODP upon such visual inspection, the Contractor shall not utilize such nonconforming or defective materials in the Work and instead shall promptly notify the County of the defective or nonconforming condition so that repair or replacement of those materials can occur without any undue delay or interruption to the Project. If the Contractor fails to perform such inspection and otherwise incorporates into the work such defective or nonconforming ODP, the condition of which it either knew or should have known by performance of an inspection, Contractor shall be responsible for all damages to County resulting from Contractor's incorporation of such materials into the Project, including liquidated or delay damages.
- 1.10 The Contractor shall maintain records of all ODP it incorporates into the Work from the stock of ODP in its possession. The Contractor shall account monthly to the County for any ODP delivered into the Contractor's possession, indicating portions of all such materials which have been incorporated into the work
- 1.11 The Contractor shall be responsible for obtaining and managing all warranties and guarantees for all materials and products as required by the Contract Documents. All repair, maintenance or damage-repair calls shall be forwarded to the Contractor for resolution with the appropriate supplier, vendor, or subcontractor. Additionally, ODP items shall be warranted by the Contractor as part of the Contractor's warranty. The Contractor agrees and understands that it shall all warranty enforcement and other related duties of the County for its Owner Direct Purchase equipment and materials. These duties shall be governed by and carried out pursuant to Section 21 of Exhibit A, General Terms and Conditions. To that end, the Contractor expressly agrees it shall make no distinction in discharging such warranty duties under Section 21 between Owner Direct Purchase equipment and materials and equipment and materials otherwise supplied by the Contractor.
- 1.12 Notwithstanding the transfer of ODP by the County to the Contractor's possession, the County shall retain legal and equitable title to any and all ODP.
- 1.13 The transfer of possession of ODP from the County to the Contractor shall constitute a bailment for the mutual benefit of the County and the Contractor. The County shall be considered the bailor and the Contractor the bailee of the ODP. ODP shall be considered returned to the County for purposes of their bailment at such time as they are incorporated into the Project.
- 1.14 The County shall purchase and maintain builders risk insurance sufficient to protect against any loss of or damage to ODP. Such insurance shall cover the full value of any ODP not yet incorporated into the Project during the period between the time the County first takes title to any of such ODP and the time when the last of such is incorporated into the Project. The Contractor shall purchase and maintain builders risk, all risk, insurance based on the completed value of project, less the County's ODP values. The Contractor must name Escambia County as additional insured on its policy.

PD 15-16.101, 2251 N. PALAFOX CHILLER REPLACEMENT II

- 1.15 The County shall in no way be liable for any interruption or delay in the Project, for any defects or other problems with the Project, or for any extra costs resulting from any delay in the delivery of, or defects in, ODP. Contractor's sole or exclusive remedy shall be an extension of the Contract Time for such reasonable time as determined by Contract Administrator.
- 1.16 Contractor shall be required to review invoices submitted by all suppliers of ODP delivered to the project sites and either concur or object to the County's issuance of payment to the suppliers, based upon Contractor's records of materials delivered to the site and any defects detected in such materials.
- 1.17 In order to arrange for the prompt payment to the supplier, prompt submittal of a copy of the applicable Purchase Order as receiving report, invoices, delivery tickets, written acceptance of the delivered items, and such other documentation as may be reasonably required by the County. Upon receipt of the appropriate documentation, the County shall prepare a check drawn to the supplier based upon the data provided. This check will be released and remitted directly to the supplier. The Contractor agrees to assist the County to immediately obtain partial or final release of waivers as appropriate.
- 1.18 At the end of the project Contractor will be provided with a deductive Change Order for the costs incurred by County to provide all ODP, not covered by previous change orders. Salvage materials shall be stored or removed from the site at the County's direction, or may be turned over to the Contractor by the County for salvage or disposal at the Contractor's option.
