

Construction Notice of Commencement

Shadow Grove Subdivision Drainage Improvement Project

Project Overview

Escambia County's Engineering Division will soon begin the Shadow Grove Drainage Improvement Project in District 1. This project consists of stormwater drainage and pond improvements within the Shadow Grove Subdivision in an effort to deter future flooding in major storm events. Construction is expected to begin in January 2017 and continue through August 2017, weather permitting.

Resident Information

- The project is funded by the Federal Emergency Management Agency at a construction cost of approximately \$1.1 million.
- The contractor, BKW, Inc., will limit construction activities to the area of the County's existing drainage easement areas and public right-of-ways.
- The project will consist of roadway demolition, roadway reconstruction and curbing, installation of tied concrete block mat, retaining walls, clearing and grubbing, regrading, headwall construction, potable water line and sanitary sewer adjustments, gas main and fiber optic utility adjustments, maintenance of traffic, stormwater pollution prevention, sodding, fencing, etc.
- Construction is expected to take place during the hours of 7 a.m. to 5 p.m. Monday through Saturday.
- We do not anticipate any long-term obstructions in the road rights of way.
- Improvement areas may be temporarily disturbed before being returned to their previous state.
- You will be provided access to your property at all times, although there may be short periods when a driveway or an entrance may be temporarily blocked as equipment and materials are moved.
- Every effort will be made by the contractor to minimize inconveniences to area residents.
- An Escambia County inspector will monitor the construction areas daily.
- We appreciate your cooperation and patience during this construction process.
