**By Fax:** (850)595-3401

Applications must be received by the close-of-business Thursday prior to the board meeting. Once the *Application for Examination* fee has been processed, you will be placed on the next Contractor Competency Board (CCB) meeting agenda. Applications received after the original deadline will be placed on a subsequent CCB agenda once requirements are met and payment has been processed.

At the meeting, the CCB will review all of the applicant's submitted documentation and there will be a determining vote for examination approval. Once approved, there are two (2) mandatory exams required for contractor licensure here in Escambia County, Florida: 1) Trade-specific exam and 2) *Business & Law* exam. The minimum passing score is 75% for each exam; exams may be taken individually or combined. All testing will be administrated through either [Prov](#) or [Prometric](#).

After passing both of the required examinations and the *Initial Certificate of Competency* fee has been paid, the applicant may work as a licensed contractor. The applicant's license cannot be fully issued until the required insurances and state registration documents are received per [Escambia County Code of Ordinances](#). Once issued, the license is good for a year and renewal of the license is required prior to the expiration date to avoid delinquency and/or penalties.

## **WORK EXPERIENCE REQUIREMENTS: (in accordance with Florida Statutes 489.111)**
