

The Hollice T. Williams Stormwater Park is expanding and we need your help! Escambia County and City of Pensacola Presents: **SKATE PARK!**

The long awaited skatepark at the
Hollice T. Williams Stormwater Park
is coming closer to reality.
We want to hear what you,

think, want and envision
at your future park. We have created a
virtual survey so you can tell us what you
want to see.

Survey goes LIVE on Monday, August 31st
and will be up until September 25th.

Escambia County and City of Pensacola Presents:

SKATE PARK!

The long awaited skatepark at the Hollice T. Williams Stormwater Park is coming closer to reality. We want to hear what you, think, want and envision at your future park. We have created a virtual survey so you can tell us what you want to see.

Survey goes LIVE on Monday, August 31st and will be up until September 25th.

Site Location:

The block below Interstate 110 bounded by East Jackson Street, North Hayne Street, East LaRua Street, and the railroad tracks. The site is adjacent to the existing From the Ground Up Community Garden.

Go to www.pivotcustom.com/pensacola to take the survey.

Images:

- Background image of skatepark ramp
- Street location map
- Skateboarder skating down a ramp
- A skatepark site under construction
- A skatepark below a highway overpass with a skateboarder making a jump with bystanders sitting at a picnic table
- A night view of the existing area below Interstate 110
- A group of community members looking at skatepark renderings/plans on an easel
- A skatepark with steps adjacent to a grinding rail with a larger portion of skatepark in the background
- Logos: City of Pensacola, Pivot Custom, HDR, Upward Intuition, and Escambia County
- A QR code to scan with an electronic device which takes you to the survey webpage
