

Remote Area Medical Clinic Sponsorship Form Pensacola Interstate Fairgrounds November 23 – 24, 2024

Remote Area Medical (RAM) ® is a major nonprofit organization with a mission to prevent pain and alleviate suffering. RAM operates pop-up clinics delivering free dental, vision, and medical care to individuals in need who do not have access to or cannot afford a doctor. Since its founding in 1985, more than 196,000 volunteers—comprised of professional practitioners, as well as general support staff—have treated more than 910,550 individuals delivering more than \$189.5 million worth of free healthcare services.

RAM is coming to our area to provide services and will utilize an estimated 250 volunteers to treat as many patients as possible during this clinic. In preparation, our host team, is seeking donations to help make this event as successful as possible. We are asking for your support so we may deliver free high-quality care to patients in need.

Please let us know what level of your sponsorship we can count on.
