Joy D. Blackmon, P.E.
Public Works Department Director

Technical Notice
11.21.17

Adopted: _____

To: Developers and Homebuilders
Engineers of Record
Engineering Staff and Development Services

From: Escambia County Transportation and Traffic Operations, Public Works

This notice is intended to provide information regarding changes and/or clarification of Escambia County policies, procedures, standards and/or specifications to the general public, design professionals, homebuilders and developers. Below are the changes/clarifications:

Requirement to Include Block Numbers on Street Name Sign Assemblies for all Subdivisions (Public or Private)

NOTICE: Escambia County shall require all new subdivisions (public or private) to include respective block numbers, as assigned by the county's Geographic Information Systems (GIS), to be shown on the submitted Construction Plans (see attached detail). This requirement is to support Emergency Services in performing their duties and the critical need for Escambia County Sheriff's Department to perform their duties.

This requirement shall be enforced from the date this technical notice is adopted.
