

**BOLDLY GO**

**to West Florida Public Libraries for**

**STAR TREK DAY!**

A detailed image of the USS Enterprise-D (NCC-1701-A) from Star Trek: The Next Generation, shown from a front-three-quarter perspective. The ship's saucer section is at the top, and the nacelles are visible below. The blue glow of the primary engine is prominent at the bottom center. The ship is set against a black background with white speckles representing stars.

**Saturday, July 30 From 11 a.m.-3 p.m.**

**Pensacola Library, 239 North Spring Street**
