

Applicant Presentations

01-25-2016

76 – Englewood-Northeast Brownsville-West Moreno Urban Revitalization Project

Dewberry Score: 37

RAC Score: TBD

Budget: \$250,000

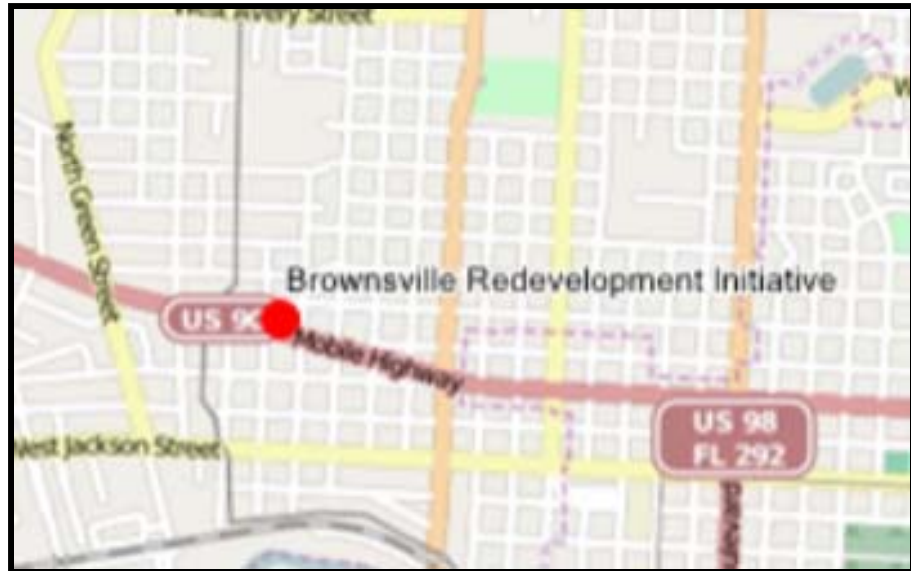

Description: The proposed project will establish a feasible, implementable community-based design and implementation process which executes an innovative approach for neighborhood benefits.

96 – Brownsville Redevelopment Initiative

Dewberry Score: 56

RAC Score: TBD

Budget: \$4,700,000

Description: This project consists of five components: 1) a nature trail through the Gulf Power easement; 2) six affordable housing units with a shared park/community garden; 3) multi-family affordable housing development at with a shared park/community garden; 4) improvements to the Brownsville festival site that consist of a permanent stage, restroom facility, and native landscaping; and 5) improvements to the outside of the Brownsville Community Center.

59 – South Dogtrack Drainage-Coral Creek, Hampton Lake, Three Waters, Green (aka, Mariner Village), Liberty Church

Dewberry Score: 55

RAC Score: TBD

Budget: \$8,100,000

Phase I: \$1,200,000

Description: This project restores and protects natural resources eliminating non-point source loadings by restoring ecological function of Bayou Grande, wetland creation, stream restoration along a tributary of Bayou Grande, improving water quality and pollutant loadings into Bayou Grande, increase stormwater attenuation prior to discharge, increasing native vegetation, restoring wetland varieties of plants and species utilizing best management practices, and reducing pollutant loadings and nutrients through treatment.

30 – Tarkiln Bayou Preserve Restoration of Big Muddy

Dewberry Score: 52

RAC Score: TBD

Budget: \$374,884

Description: This project focuses on restoring a severed connection between overgrown, woody-dominated seepage slope and wet prairie and wet flatwoods. The goal of this project is to restore the natural hydrological connection, while maintaining this access and firebreak.

45 – IHMC Community Meeting Hall Expansion

Dewberry Score: 58

RAC Score: TBD

Budget: \$600,000

Description: IHMC proposes to expand the current community meeting room at 40 S. Alcaniz Street to allow for increased community engagement and participation and to allow for new educational activities to be held in this expanded space.

93 – Escambia County Heritage Trails

Dewberry Score: 43

RAC Score: TBD

Budget: \$346,000

Description: The proposed Escambia County Heritage Trails will highlight the history and heritage of Escambia County, including historical sites, archaeological resources, standing historic structures, cemeteries, battlefields, and other locations important for telling the stories about our past.

28 – Ashland park Sewer Expansion/Stormwater Improvement

Dewberry Score: 49

RAC Score: TBD

Budget: \$1,000,000

Description: This project is to design and construct infrastructure improvements for: (1) stormwater management; and (2) sewer expansion in the Ashland Park Subdivision in Escambia County, which is located within the Escambia Bay/Pensacola Bay watersheds.

29 – Pensacola Beach Reclaimed Water System Expansion – Phase IV

Dewberry Score: 50

RAC Score: TBD

Budget: \$375,000

Description: This phase of the system expansion will provide reclaimed water for irrigation purposes within the business core area of Pensacola Beach, and will build on other ECUA-sponsored system improvements. The project would achieve an increase in the availability of reclaimed water from the Pensacola Beach Reclaimed Water Facility, and a corresponding reduction of the surface water discharge to Santa Rosa Sound.

04 – Eleven Mile Creek Stream Restoration

Dewberry Score: 77

RAC Score: TBD

Budget: \$12,929,908

Phase I: \$1,110,776

Description: The project includes property acquisition along Eleven Mile Creek, demolition of existing residential structures, expansion of floodplain, and restoration of wetlands and riparian buffers.

43 – Woodlands-UWF Scenic Hills-St Luke's Church Neighborhood Partnership Stream Restoration & Flood Protection

Dewberry Score: 61

RAC Score: TBD

Budget: \$3,753,466

Phase I: \$549,970

Description: This project will restore and protect natural resources by restoring ecological function, increasing native vegetation, increasing wetland varieties of plants and species, removing non-native and invasive species, utilizing best management practices, and reducing pollutant loadings and nutrients through increased stormwater treatment. The proposed golf course improvements will increase use of the course by enhancing course aesthetics, along with increased marketing, thus promoting tourism and consumption of seafood, served at the club restaurant.

39 – Hollice T. Williams Park – Stormwater Management/ Recreational Facilities Project

Dewberry Score: 63

RAC Score: TBD

Budget: \$3,764,000

Description: The proposed project will construct dual use stormwater and recreational-use basins under the Interstate 110 corridor. The project will aid the City of Pensacola in collecting and routing stormwater that runs off elevated lengths of Interstate 110 near its southern terminus, providing relief to diverse historical neighborhoods in flood prone areas near Hollis T. Williams Park in the Long Hollow Drainage Basin and provide for multi-use recreational basins that support wellness, tourism and economic development goals of the City's comprehensive plan.

50 – Port Pensacola Maritime Infrastructure Berth 6 Restoration

Dewberry Score: 54

RAC Score: TBD

Budget: \$3,750,000

Description: As one of only five deepwater berths at the port, closure of the berth #6 and infrastructure has reduced operational capability of the port by 20% effectively reducing productivity by that percentage plus a loss in flexibility accommodating multiple vessel calls during the same timeframe. Infrastructure project will restore Port Pensacola to fully operational status directly benefiting the economy and workforce of the City of Pensacola, Escambia County, and the entire Gulf Region.

47 – Maritime Sports Tourism Development Project/ Maritime Infrastructure Project

Dewberry Score: 45

RAC Score: TBD

Budget: \$2,100,000

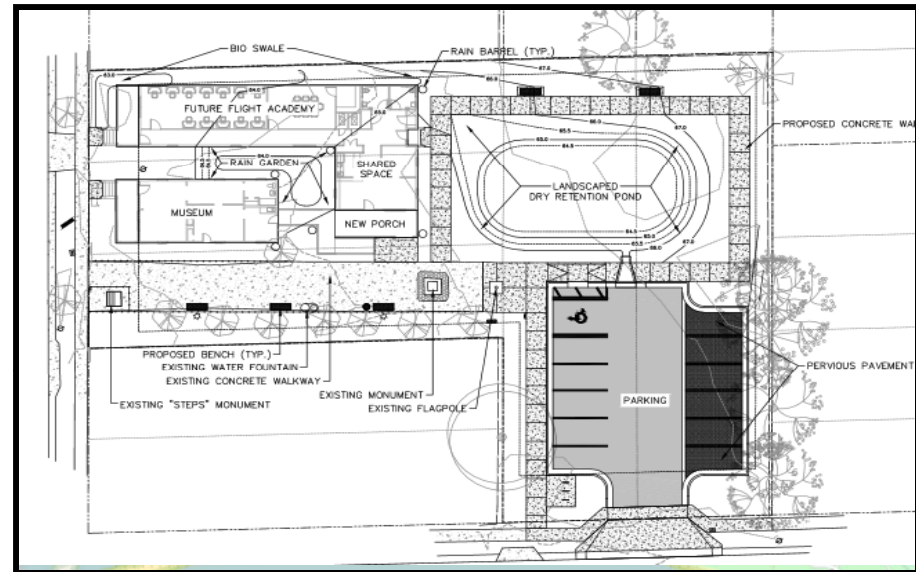

- **Description:** This project proposes to examine and construct a marina providing public access to the waterway adjacent to Maritime Park - home of Wahoos Baseball. This project will bring a public venue and tourism product online, supporting the continued development of water related sporting tournaments and marine tourism events increasing waterway usage in Pensacola Bay.

61 – General Daniel “Chappie” James, Jr. Memorial Park Low Impact Development & Stormwater Treatment Project

Dewberry Score: 50

RAC Score: TBD

Budget: \$645,000

Description: The General Daniel “Chappie” James, Jr. Memorial Park is a multifaceted Low Impact Development and Stormwater Treatment project that will produce a museum, flight academy and Low Impact Development (LID) at an historic park in Pensacola. The project will protect, transform and showcase this national historic resource as a tourist attraction. A state of the art museum will add a unique venue to Pensacola’s current tourism offerings. Exhibits will emphasize themes of General James’ early life in Pensacola, his life as a student at Tuskegee and his military career in the U. S. Air Force.

117 – Bayou Chico Restoration

Dewberry Score: 45

RAC Score: TBD

Budget: \$22,828,151

Phase I: \$1,902,346

Description: Work associated with this proposal entails “suction dredging” the loose sediment from the bottom of the Bayou and pump it into the Clark Sand Pit. The project would essentially vacuum up contaminated sediment which is currently exposed to sea life, swimmers, and boaters and contain it in an appropriate containment pit for permanent storage.
