

01 - Maritime Heritage and Nature Trail

Dewberry Score: 43

RAC Score: TBD

Budget: \$200,000

Other Funding Source?:
LOST, GWTrails, TDT

Description:

The maritime cultural heritage and nature trail and associated zip line will give guests a new perspective at a natural historic site on the Pensacola Lighthouse Reservation. Not only can they visit the site on the ground, but they can get a birds eye view of the site and Pensacola bay while navigating our zip course.

02 – Women's Transitional Shelter & Support Center

Dewberry Score: 36

RAC Score: TBD

Budget: \$923,647

Other Funding Source?:
EDA

Description: The goal of the center would be to reduce the occurrence of domestic violence and other crimes by giving women a chance to regain confidence and build skills toward independence.

03 – Belmont Cultural Center Heritage Tourism Destination Phase 1

Dewberry Score:54

RAC Score: TBD

Budget: \$1,500,000

Other Funding Source?:
HUD, TDT

Description: The project was established as a long term infrastructure plan to address the lack of diverse cultural activities; inadequate affordable facilities, and activities to service an underserved community with insufficient entertainment activities, as well as to meet the critical shortfalls of a Neighborhood Cultural Center.

04 – Eleven Mile Creek Stream Restoration

Dewberry Score: 77

RAC Score: TBD

Budget: \$12,929,908

Other Funding Source?:

Pot 2, Pot 3, NFWF, LOST,
EPA 319, HMGP, EWP

Description: The project includes property acquisition along Eleven Mile Creek, demolition of existing residential structures, expansion of floodplain, and restoration of wetlands and riparian buffers.

05 – Cantonment Sportsplex

Dewberry Score: 9

RAC Score: TBD

Budget: \$50,000

Other Funding Source?:
LOST

Description: The overall project will be a complete restoration of the Cantonment Sportsplex to provide a park which will offer multiple sports outlets to all kids and families in the Cantonment as well as surrounding areas. We wish to beautify the sportsplex which will in turn draw more families to our area to help it grow and expand.

06 – Human Performance Research Laboratory

Dewberry Score: 29

RAC Score: TBD

Budget: \$414,000

Other Funding Source?:
LOST, Triumph, EDA

Description: We propose to develop a molecular laboratory to investigate changes associated with adaptation and stress response experienced by military operators. The primary goal to be addressed is development of a research infrastructure (IHMC-HPL) that will create a unique resource for military research.

07 – Paddle Lacrosse Gold Courses

Dewberry Score: 16

RAC Score: TBD

Budget: \$140,00

Other Funding Source?:
LOST, TDT

Description: The proposed project is the installation of Paddle Lacrosse Golf Courses. Paddle Lacrosse Golf combines elements of Lacrosse, Paddling in kayaks or on paddleboards, and golf, or disc golf. Players can use their lacrosse paddle to paddle their paddleboard or their kayak or canoe.

08 – Clean Energy for Pensacola!

Dewberry Score: 24

RAC Score: TBD

Budget: \$90,000

Other Funding Source?:
LOST

Description: The goal of Clean Energy for Pensacola is designed to decrease our local government's dependency on natural resources by installing Solar Systems city buildings.

09 – Oakland Community Park

Dewberry Score: 24

RAC Score: TBD

Budget: Not Provided

Other Funding Source?:
LOST

Description: The process of restoring the wetlands here can provide employment and training for those who are interested in pursuing a career in conservation. Once complete, this park would provide a badly needed educational resource not only for school districts across the Panhandle but also for university students and faculty researchers.

10 – Belmont-DeVilliers: Restored Heritage Revisited

Dewberry Score: 59

RAC Score: TBD

Budget: \$437,000

Other Funding Source?: LOST, Triumph, EDA, TDT

Description: Belmont-DeVilliers: Restored Neighborhood Heritage Revisited will review, update, and revise revitalization assessments and studies previously conducted by public governmental entities in order to create a current and improved plan of action for neighborhood redevelopment.

011 – RESTORE the City Creek

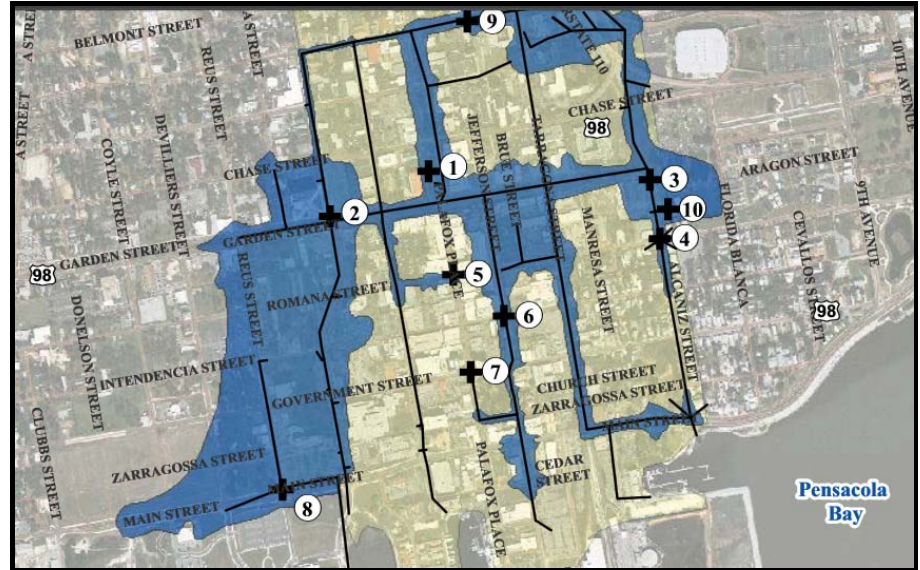

Dewberry Score: 78

RAC Score: TBD

Budget: \$5,760,000

Other Funding Source?:

Pot 2, Pot 3, NFWF,
LOST, EPA 319

Description: A restored City Creek turns well-studied negatives of poor drainage to positive advantages for all surrounding properties in the West end. It can exceed necessary designed capacity increases for new underground pipes, and is five or six times less expensive than the same volume in new pipes. Restoring the Creek to a lineal park and a stormwater function, the City gains more than just stormwater diversion and detention. It gains a third and uniquely green development axis to Downtown, complementing and not cannibalizing development in the Seville or Palafox corridors.

12 – Navy Point Rain Gardens & Community Greens

Dewberry Score: 59

RAC Score: TBD

Budget: \$780,980

Other Funding Source?:
LOST

Description: This project proposes to adapt empty lots in a low-lying area of Navy Point for a low-impact, Green Infrastructure solution to managing storm water, restoring the Bayou Grande estuary, preserving habitat, and revitalizing the neighborhood community. The design employs two key components: (1) rain gardens and other bioretention measures and (2) community garden plots.

13 – Economic Loss Zone/Infrastructure

Dewberry Score: 5

RAC Score: TBD

Budget: \$417,000

Other Funding Source?:

LOST, EPA319, HMGP,
EDA, HUD

Description: Develop an environmental education program for residents and businesses that stresses pollution prevention. Correct, repair, restore, replace, any and all sewer, water, gas leaks, within the area of west of I-110 and fill in ditches located by the tracks. Replace drainage system. Assess and rehabilitate/redevelop homes and underutilized properties.

14 – North Palafox St Road Diet and Beautification

Dewberry Score: 50

RAC Score: TBD

Budget: \$3,938,767

**Other Funding Source?:
LOST, FHWA**

Description: This project is a three-phase modification of 1.1 miles of North Palafox Street from four lanes with a middle left/right turn lane to a two lane facility with protected bicycle lanes, shaded sidewalks and thousands of feet of bioswales. This is technically a beautification project however the net effect will be less stormwater flowing downstream in already maxed out infrastructure. In a large enough rain event the stormwater that does go into the pipe will pass through several biofilters designed into the facility.

15 – Perdido Bay Public Waterway Access Site

Dewberry Score: 50

RAC Score: TBD

Budget: \$2,000,000

Other Funding Source?:
NRDA, LOST, TDT

Description: This project seeks RESTORE funds to construct a public boat launch and paddlecraft from a 40-acre parcel of property purchased by Escambia County for the proposed project. This proposal seeks funding for the construction of access road, parking, launching facilities, docks, etc. Other amenities include kiosks, shaded picnic tables, restrooms, etc. The entire facility will be fully compliant with all regulations, including ADA. Perdido Bay forms Escambia County's western border and presently affords almost no public waterway access.

16 – Old East Hill Community Market

Dewberry Score: 34

RAC Score: TBD

Budget: \$1,441,700

Other Funding Source?:

****Not Eligible****

Description: The Alcaniz Community Market is a multi-use gathering place that provides locally produced goods, food, and entertainment in a market setting to the surrounding neighborhood and Downtown Pensacola. There is a need for a permanent location where the community can gather seven days a week in a traditional market environment. This brings residents, tourists, businesses, and vendors together in an easily accessible central location.

17 – Escambia County Large Vessel Reef(s) Project

Dewberry Score: 43

RAC Score: TBD

Budget: \$1,500,000

Other Funding Source?:

NRDA, LOST, Triumph,
TDT

Description: The Proposed Escambia County Large Vessel Reef Project seeks to acquire, prepare and deploy one or more large vessels as artificial reef(s) in a permitted reef site in the Gulf of Mexico.

18 – Pensacola Adaptive Sailing Outreach

Dewberry Score: 42

RAC Score: TBD

Budget: \$1,000,000

Other Funding Source?:

****Not Eligible****

Description: Needs, goals, and benefits of PASO center around community mental health and providing equal leisure opportunities. Two specific needs are to support veterans who are at risk of suicide, and provide healthy activities / outlets for inner city youth and other underserved groups (seniors, cancer patients, people with developmental disabilities). By pairing veterans with able-bodied members of the Pensacola community the PASO program strives to provide the healing process of sailing to help citizens help themselves.

19 – Hispanic Community Center

Dewberry Score: 27

RAC Score: TBD

Budget: \$1,753,673

**Other Funding Source?:
LOST, EDA, HUD**

Description: The Hispanic Community Center would be a resource center for the Hispanic community. Other ethnic groups may also use the facility for functions and needs. The facility would contain an auditorium, kitchen, class rooms, meeting rooms, computers, large outdoor area, and an area to house brochures, books, bulletin boards, and other forms of information. The center would house the Latino newspaper and the Hispanic Resource Center which already work much in the capacity that the center would.

20 – Big Lagoon State Park & Tarkiln Bayou Preserve State Park Restoration

Dewberry Score: 38

RAC Score: TBD

Budget: \$118,000

Other Funding Source?:

Pot 2, Pot 3, NFWF, LOST

Description: These parks include a range of natural communities that are fire dependent. The safe use of prescribed fire requires trained and skilled personnel and dependable equipment used in rough conditions and in environmentally sensitive areas. The purchase of a MarshMaster will allow much improved prescribed fire access and control in wet natural communities during periods when prescribed fires need to occur in Escambia County. Such a low impact piece of equipment will also assist in protecting environmentally sensitive lands and reducing wildfires.

21 – Community Advocacy Center

Dewberry Score: 44

RAC Score: TBD

Budget: \$3,500,000

Other Funding Source?:
LOST

Description: The proposed project is for the construction of an approximately 40,000 square foot structure located at the corner of Pace and Lee. The facility will consist of administrative offices on the first floor with affordable housing located on the second floor. The administrative offices will be housed by several local community advocacy groups that address the needs of the homeless and those in need of other assistance.

22 – Lionfish Commercialization & Harvest

Dewberry Score: 54

RAC Score: TBD

Budget: \$1,500,000

Other Funding Source?:

Pot 2, Pot 3, NFWF,
Triumph

Description: Focus: (1) establishing/supporting a coalition of spear fishermen to meet and expand the current market for lionfish, (2) assisting businesses & fishermen with the regulatory requirements of lionfish harvest & sale, (3) promoting lionfish related dive tourism and the consumption of lionfish as a sustainable seafood, (4) facilitating research to better understand the impacts of lionfish and the construction of more effective collection methods, and (5) promoting workforce development and lionfish awareness through collaborative educational partners.

23 – Escambia County Website App Tourism

Dewberry Score: 22

RAC Score: TBD

Budget: \$361,750

Other Funding Source?:
TDT

Description: The project approach is designed to allow visitors to have an interactive experience when searching points of interest and create a desirability to visit. The project approach was developed with a long term vision composed of three phases utilizing the best available technology to ensure maximum success.

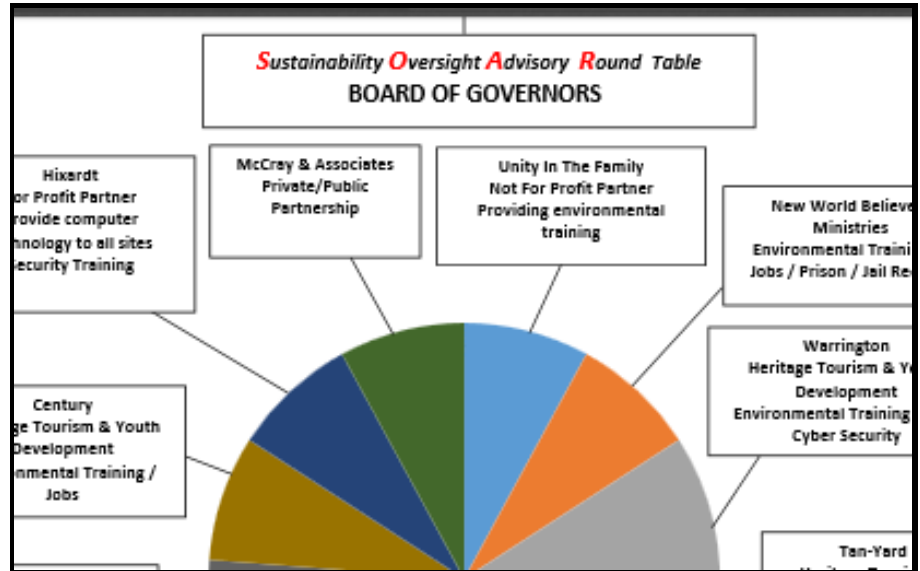

24 – SOAR WITH RESTORE

Dewberry Score: 52

RAC Score: TBD

Budget: \$750,000

**Other Funding Source?:
Triumph**

Description: SOAR” with Restore project focus is to offer opportunities for disadvantaged underserved persons in low income areas of minority concentration. Our mission is to develop and implement a strategic plan embracing Heritage Tourism, Workforce Development, Business Development, Environmental Justice, and Infrastructure Resiliency to secure that future.

25 – Pensacola MESS Hall New Facility Planning Grant

Dewberry Score: 39

RAC Score: TBD

Budget: \$150,000

Other Funding Source?:

Description: Funds are requested for creation of a plan to form an expansion of the successful Pensacola MESS Hall. The current facility has demonstrated that the MESS Hall is an amenity for tourists to the area. In addition, the larger facility will increase the ability of the MESS Hall to enhance science education in our region. The facility will also allow us to broaden our exhibits, to include the health and ecosystems. Exhibits on the local ecosystem, energy, and the environment can enhance understanding of these complex issues and improve response to future environmental challenges.

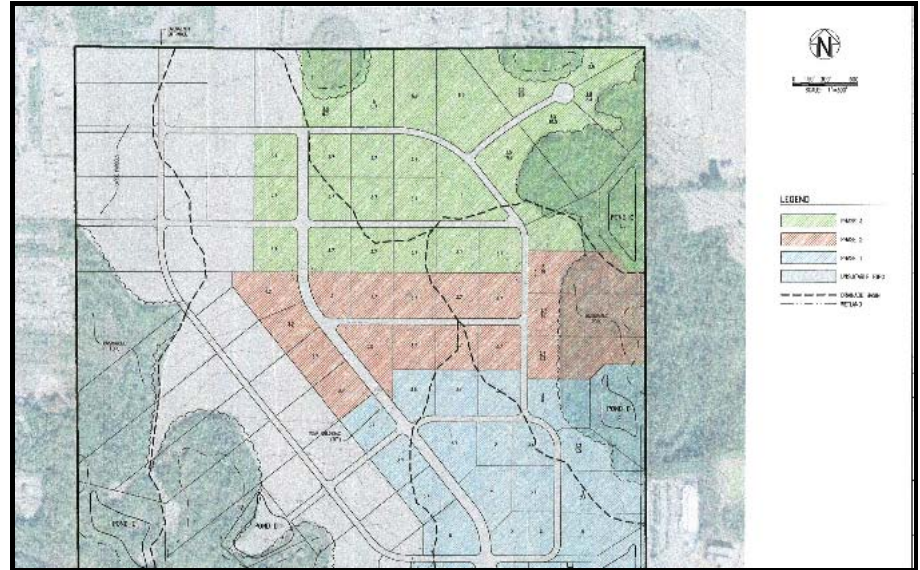

26 – OLF8 Commerce Park Improvements

Dewberry Score: 34

RAC Score: TBD

Budget: \$19,037,790

Other Funding Source?:
LOST, Triumph, EDA

Description: Because military investment is a prime economic driver along the Gulf Coast, the OLF-8 project provides a unique opportunity to protect and improve our local military aviation training assets. The OLF-8 land swap opportunity provides a new state-of-the-art Navy and Marine Corps rotary-wing training asset that helps protect our military commands from additional rounds of BRAC. Escambia County will solicit and secure private sector investment by converting the old OLF-8 training course into a Commerce Center.

27 – Cooperative Invasive Species Management

Dewberry Score: 45

RAC Score: TBD

Budget: \$1,530,604

Other Funding Source?:

Pot 2, Pot 3, NFWF

Description: The proposed work includes creation of a team of dedicated restoration professionals, and would operate with existing management plans and established goals and objectives of the Florida State Parks, and other land-holding agencies in the GCPEP Partnership in Escambia County. Invasive species control and ecological restoration would be the two primary focuses of this team of professionals, with demonstrated sensitivity to protecting natural resource values in complex ecosystems.

28 – Ashland park Sewer

RAC Score: TBD

Other Funding Source?:
LOST

Description: This project is to design and construct infrastructure improvements for: (1) stormwater management; and (2) sewer expansion in the Ashland Park Subdivision in Escambia County, which is located within the Escambia Bay/Pensacola Bay watersheds.

29 – Pensacola Beach Reclaimed Water System Expansion – Phase IV

Dewberry Score: 50

RAC Score: TBD

Budget: \$375,000

Other Funding Source?:
NRDA, LOST

Description: This phase of the system expansion will provide reclaimed water for irrigation purposes within the business core area of Pensacola Beach, and will build on other ECUA-sponsored system improvements. The project would achieve an increase in the availability of reclaimed water from the Pensacola Beach Reclaimed Water Facility, and a corresponding reduction of the surface water discharge to Santa Rosa Sound.

30 – Tarkiln Bayou Preserve Restoration of Big Muddy

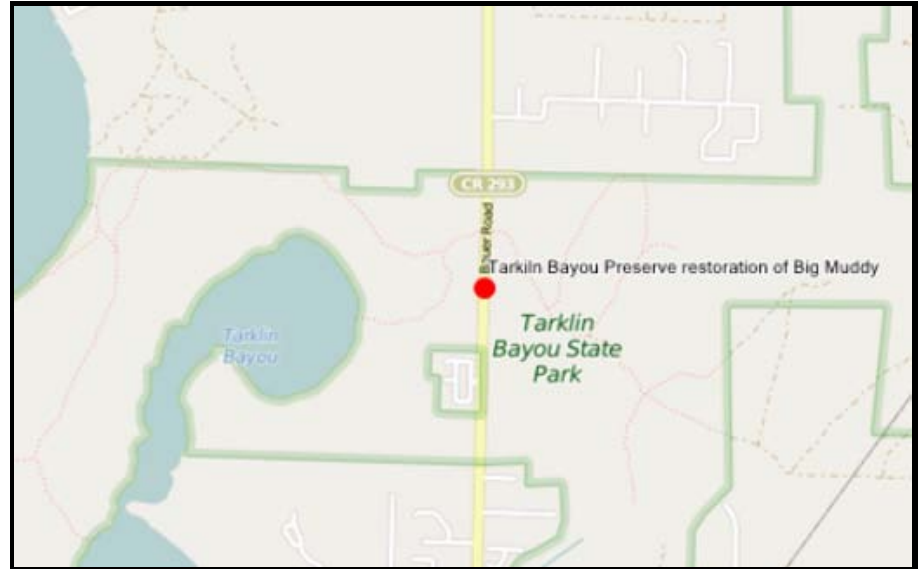

Dewberry Score: 52

RAC Score: TBD

Budget: \$374,884

Other Funding Source?:

Pot 2, Pot 3, NFWF

Description: This project focuses on restoring a severed connection between overgrown, woody-dominated seepage slope and wet prairie and wet flatwoods. The goal of this project is to restore the natural hydrological connection, while maintaining this access and firebreak.

31 - Shareourshore

Dewberry Score: 17

RAC Score: TBD

Budget: \$100,000

Other Funding Source?:
NA

Description: Share Our Shore publication and interactive website shareourshore.com will be compiled from interviews with wildlife and conservation specialists from our area to document local wildlife and wildlife habitats through written articles, photographs and videos.

32 – Dolphin Conservation Program

Dewberry Score: 47

RAC Score: TBD

Budget: \$441,426

Other Funding Source?:

Pot 2, Pot 3, NFWF,
NRDA

Description: This project is a multifaceted approach to establish baseline data on Pensacola dolphins and to implement a long-term conservation program. Develop partnerships with: ecotourism & sport-fishing businesses to reduce threats to dolphins; university collaborators to monitor the local dolphin populations; resource managers engaged in water quality & habitat improvement to utilize dolphins as an indicator species; and high school educators to for marine sciences.

33 – Sunken Barge Cleanup

Dewberry Score: 3

RAC Score: TBD

Budget: Not Provided

Other Funding Source?:
NA

Description: Locate, pump out, and clean up the sunken barge in Escambia Bay. It came from Monsanto filled with dangerous chemicals and sank near a bridge. It is a ticking time bomb of a disaster.

34 – Perdido River Habitat Restoration

Dewberry Score: 55

RAC Score: TBD

Budget: \$304,500

Other Funding Source?:

Pot 2, Pot 3, NFWF

Description: The goal of this project is to remove the fill road and return Black Lake channel to its original width and extend the existing 24' bridge to fully span the channel and connect the northern and southern portions of the Preserve.

35 - ConFund

Dewberry Score: 27

RAC Score: TBD

Budget: \$348,000

Other Funding Source?:

Pot 2, Pot 3, NFWF,
NRDA

Description: Offer additional cost share incentives to eradicate invasive species (ie. cogongrass, privet, popcorn trees, etc) on private property. To cover the balance of 100% of USDA estimated practice cost.

36 – Financial Recovery & Preparedness for Escambia County

Dewberry Score: 34

RAC Score: TBD

Budget: \$61,000

Other Funding Source?:
NA

Description: The Financial Recovery and Preparedness Program is a two-day, two-track training program with individual training targeted at 1. Escambia County Residents who are experiencing financial hardship due to disasters; and 2. Service providers and resources for disaster preparedness and recovery along the Gulf Coast.

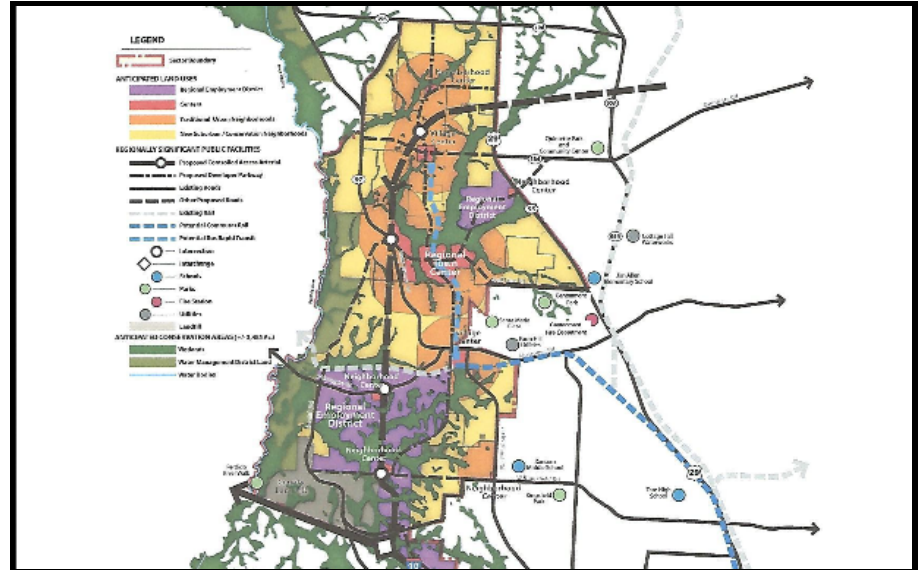

37 – Cottage Hill Water Works Infrastructure Update & System Improvements

Dewberry Score: 27

RAC Score: TBD

Budget: \$3,700,000

**Other Funding Source?:
EDA**

Description: Cottage Hill Water Works is a small, non-profit water utility that provides services to residents in the northern Cantonment area of Escambia County. It is a member owned cooperative run by a volunteer board of directors. The system is in need of a system-wide upgrade, including replacement of asbestos concrete pipes as well as pipes with increased capacity capabilities to meet the needs of the planned growth in this part of the county.

38 – Lambert Bridge Rd

Dewberry Score: 30

RAC Score: TBD

Budget: \$500,000

Other Funding Source?:
LOST

Description: The section of Lambert Bridge Rd immediately north of the intersection of Pine Barren Creek (approx. 1/2 mile) has been a source of sedimentation into Pine Barren Creek for many years. This project involves grading and paving a section of Lambert Bridge Rd and associated ditch work

39 – Hollice T. Williams Park – Stormwater Management/ Recreational Facilities Project

Dewberry Score: 63

RAC Score: TBD

Budget: \$3,764,000

Other Funding Source?:
LOST, EPA, HMGP

Description: The proposed project will construct dual use stormwater and recreational-use basins under the Interstate 110 corridor. The project will aid the City of Pensacola in collecting and routing stormwater that runs off elevated lengths of Interstate 110 near its southern terminus, providing relief to diverse historical neighborhoods in flood prone areas near Hollis T. Williams Park in the Long Hollow Drainage Basin and provide for multi-use recreational basins that support wellness, tourism and economic development goals of the City's comprehensive plan.

40 – Green Roof

Dewberry Score: 38

RAC Score: TBD

Budget: \$486,528

**Other Funding Source?:
LOST**

Description: It is proposed that a 15,000 square foot section of the Judicial Center roof be retrofitted into a demonstration green roof. Green roofs are typically not seen, but this project will use a highly visible roof as a means of exposing the public to environmental issues and remedies.

41 – Seville Harbor Breakwater

Dewberry Score: 46

RAC Score: TBD

Budget: \$4,556,708

Other Funding Source?:

Pot 2, Pot 3, NFWF,
NRDA, LOST, TDT

Description: The project is to be constructed on submerged land owned by the City of Pensacola. The design has been refined to include the transient docking facilities, a 160-foot long entrance breakwater to effectively attenuate waves within the marina basin, and the northern 520-foot long breakwater to protect the marina from waves out of the northeast.

42 – REAP/SCA's Escambia Conservation Corps

Dewberry Score: 56

RAC Score: TBD

Budget: \$2,499,171

Other Funding Source?:
Triumph, EDA

- **Description:** This project proposes the establishment of the ESCAMBIA CONSERVATION CORPS. ECC led to a greater public awareness and appreciation of the outdoors and natural resources, while at the same time providing jobs for citizens having a difficult time finding jobs.

43 – Woodlands-UWF Scenic Hills-St Luke's Church Neighborhood Partnership Stream Restoration & Flood Protection

Dewberry Score: 61

RAC Score: TBD

Budget: \$3,753,466

**Other Funding Source?:
LOST**

Description: This project will restore and protect natural resources by restoring ecological function, increasing native vegetation, increasing wetland varieties of plants and species, removing non-native and invasive species, utilizing best management practices, and reducing pollutant loadings and nutrients through increased stormwater treatment. The proposed golf course improvements will increase use of the course by enhancing course aesthetics, along with increased marketing, thus promoting tourism and consumption of seafood, served at the club restaurant.

44 – Jones Swamp Wetland Preserve Management & Ecosystem Restoration

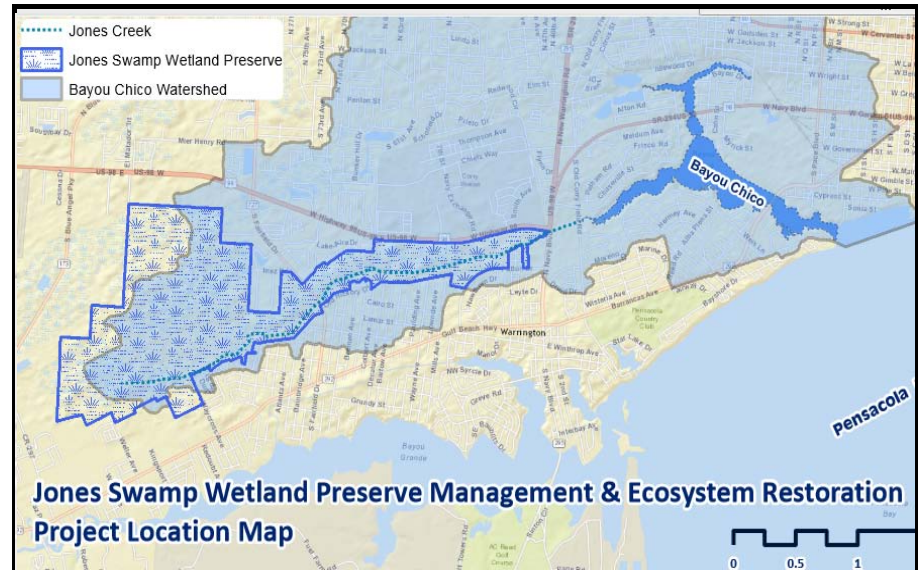

Dewberry Score: 65

RAC Score: TBD

Budget: \$940,000

Other Funding Source?:

Pot 2, Pot 3, NFWF,
LOST, EPA319

Description: The proposed project will develop and implement a comprehensive management plan for the Jones Swamp Wetland Preserve, restore natural areas, and complete unfinished sections of the Southwest Greenway Trail System.

45 – IHMC Community Meeting Hall Expansion

Dewberry Score: 58

RAC Score: TBD

Budget: \$600,000

Other Funding Source?:

LOST, Triumph, EDA

Description: IHMC proposes to expand the current community meeting room at 40 S. Alcaniz Street to allow for increased community engagement and participation and to allow for new educational activities to be held in this expanded space.

46 – Native Paths Boardwalk

Dewberry Score: 56

RAC Score: TBD

Budget: \$150,000

Other Funding Source?:

LOST, GWTrails, TDT

Description: The boardwalk will extend northward from the Native Paths Cultural Center and Trailhead across the Jones Swamp connecting to the uplands on the north side. The boardwalk distance is approximately 600' but completes the critical last section of the Southwest Greenway trail connecting to the existing trail system westward to Blue Angel Parkway and the Perdido Pitcher Plant Prairie Preserve. There it will connect to the PPPPP master planned trail system connecting to both Big Lagoon State Park and the Tarkiln Bayou Preserve.

47 – Maritime Sports Tourism Development Project/ Maritime Infrastructure Project

Dewberry Score: 45

RAC Score: TBD

Budget: \$2,100,000

Other Funding Source?:
LOST, Triumph, EDA, TDT

- **Description:** This project proposes to examine and construct a marina providing public access to the waterway adjacent to Maritime Park - home of Wahoos Baseball. This project will bring a public venue and tourism product online, supporting the continued development of water related sporting tournaments and marine tourism events increasing waterway usage in Pensacola Bay.

48 – Sanders Beach park Addition/ Beach Restoration

Dewberry Score: 64

RAC Score: TBD

Budget: \$17,268,246

Other Funding Source?:

NRDA, LOST, Triumph

Description: This project is to acquire lands from willing sellers along the shore of Pensacola Bay from the Community Center eastward to the breakwater protecting the Seafood Harbor. The Park Addition would be designed and constructed to include; (1) parking for visitors; (2) pedestrian access points for the Sanders Beach neighborhood; (3) a one mile long walking/jogging/biking path; (4) picnic and day use shelters; (5) environmental education kiosks; (6) historical education kiosks; (7) observation tower located on the Seafood Harbor breakwater; (8) kayaking and paddle board launching facility; (9) public fishing pier; (10) grassy play zones in upland areas; (11) stormwater retention & wetland construction at the SE ditch stormwater outfall.

49 – Olive Road Phase II East-Ferry Pass Zone 5

Dewberry Score: 63

RAC Score: TBD

Budget: \$11,100,000

Other Funding Source?:

LOST, Triumph, FHWA

- **Description:** This infrastructure project will provide benefits to both the local economy and environment. Olive Road East roadway improvements will address existing pavement and base failure issues as well as stormwater improvements consisting of constructing a dry retention pond and expanding an existing dry retention pond. Ferry Pass Zone 5 will include drainage improvements that will include subsurface piping, strategically placed inlets, and associated roadway improvements.

50 – Port Pensacola Maritime Infrastructure Berth 6 Restoration

Dewberry Score: 54

RAC Score: TBD

Budget: \$3,750,000

Other Funding Source?:

Triumph, EDA

Description: As one of only five deepwater berths at the port, closure of the berth #6 and infrastructure has reduced operational capability of the port by 20% effectively reducing productivity by that percentage plus a loss in flexibility accommodating multiple vessel calls during the same timeframe. Infrastructure project will restore Port Pensacola to fully operational status directly benefiting the economy and workforce of the City of Pensacola, Escambia County, and the entire Gulf Region.

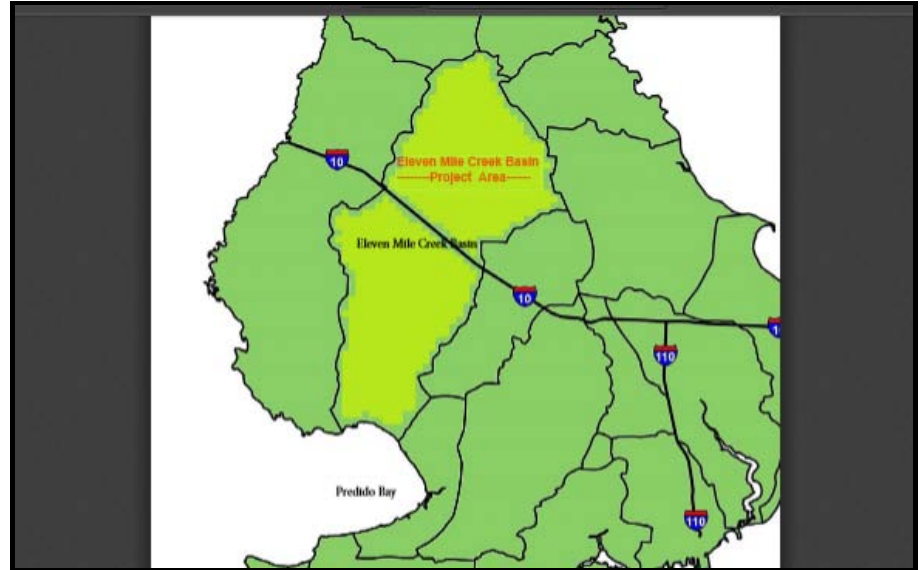

51 – 11 Mile Creek Basin

Dewberry Score: 61

RAC Score: TBD

Budget: \$4,024,000

Other Funding Source?:
LOST, EPA319

Description: The Eleven Mile Creek Project involves the creation of eleven pond and/or floodplain creation sites that are intended to alleviate flooding, preserve infrastructure, improve water quality and reduce nonpoint source pollution, within the Eleven Mile Creek Watershed.

52 – Perdido Bay Bronson Field Living Shoreline Project

Dewberry Score: 66

RAC Score: TBD

Budget: \$840,000

Other Funding Source?:

Pot 2, Pot 3, NFWF,
NRDA, LOST

Description: The Perdido Bay Bronson Field Living Shoreline Project will restore and protect water quality and estuarine habitat. This proposed living shoreline project will include an offshore rock/oyster reef breakwater and a protected estuarine emergent marsh.

53 – Water Quality Targets for Seagrass Restoration in Pensacola & Perdido Bays

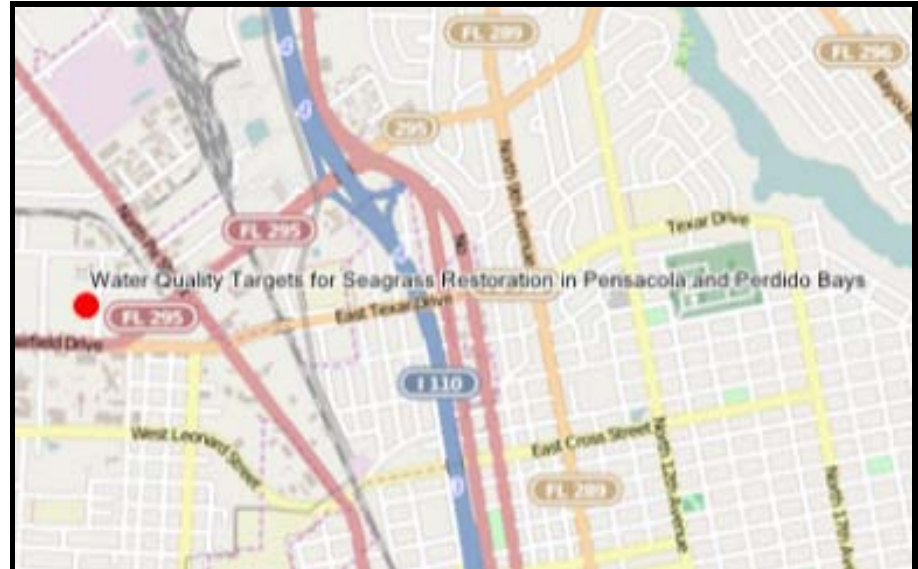

Dewberry Score: 37

RAC Score: TBD

Budget: \$420,000

Other Funding Source?:

Pot 2, Pot 3, NFWF,
NRDA

Description: This proposal would determine: current and historic offshore extents and depth limits of seagrass meadows, the minimum light requirements of existing seagrass meadows; the light environment in areas that historically supported seagrass, but which are currently devoid of coverage; influence of phytoplankton, tannins and suspended sediments on water clarity.

54 – Sunset Island Seagrass Restoration Project

Dewberry Score: 62

RAC Score: TBD

Budget: \$840,000

Other Funding Source?:

Pot 2, Pot 3, NFWF,
NRDA

Description: The Sunset Island Seagrass Restoration Project will restore and protect water quality and estuarine habitat, increase recreation and ecotourism opportunities, and provide a future site for placement of dredged sand from maintenance of the Intracoastal Waterway (ICW). This proposed living shoreline project will include an offshore rock/oyster reef breakwater to protect transplanted estuarine emergent marsh and SAV around two existing islands.

55 – Riparian Zone Preservation

Dewberry Score: 42

RAC Score: TBD

Budget: \$1,000,000

Other Funding Source?:

Description: This project will identify and secure undeveloped riparian areas along vulnerable waterways such as Carpenter Creek, Jack's Branch, and Bayou Grande. The vision of this proposal is to protect surface water quality and water quantity by improving and expanding riparian buffers of at least 100'; identify lands in sensitive areas that should remain undeveloped; develop an incentive program for private and commercial land owners for conservation easements; and pursue avenues to purchase available parcels for the establishment of greenways

56 – Pleasant Grove Inlet

Dewberry Score: 33

RAC Score: TBD

Budget: \$300,000

Other Funding Source?:
FEMA

Description: Pleasant Grove Inlet, a major tributary to Bayou Grande near its headwaters is blocked by sediment. This is a public waterway project that will conform with all the required legislation and improve the environmental conditions for the public. Flood relief will be provided to homeowners, invasive species will be controlled, water quality will be improved, essential fish habitat will be improved, and military readiness will be maintained.

57 – Carpenter Creek and Bayou Texar Economic and Environmental Revitalization Plan

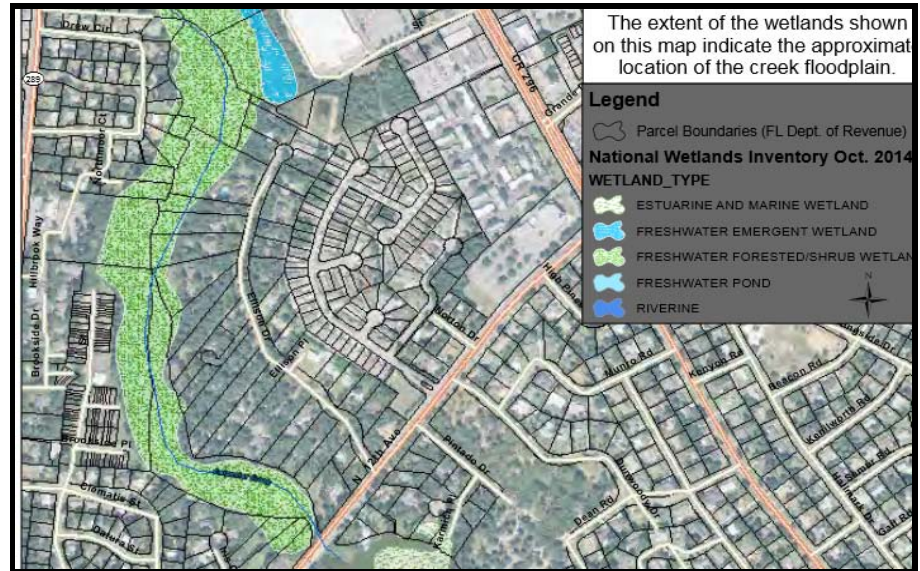

Dewberry Score: 62

RAC Score: TBD

Budget: \$2,444,000

Other Funding Source?:

Pot 2, Pot 3, NFWF, LOST,
EPA319, HMGP, EWP

Description: Carpenter Creek restoration and watershed revitalization to ensure public safety, interests, benefits, and education. This project will apply various proven restoration techniques and best management practices for stream/floodplain restoration and low impact development.

58 – City Bike Share

Dewberry Score: 29

RAC Score: TBD

Budget: \$1,260,000

Other Funding Source?:
LOST, EDA, TDT

Description: The City Bike Share program would provide residents and tourists the opportunity to rent a bike from several docking stations in a set radius throughout sections of downtown Pensacola and Pensacola Beach.

59 – South Dogtrack Drainage-Coral Creek, Hampton Lake, Three Waters, Green (aka, Mariner Village), Liberty Church

Dewberry Score: 55

RAC Score: TBD

Budget: \$8,100,000

**Other Funding Source?:
LOST, EPA319**

Description: This project restores and protects natural resources eliminating non-point source loadings by restoring ecological function of Bayou Grande, wetland creation, stream restoration along a tributary of Bayou Grande, improving water quality and pollutant loadings into Bayou Grande, increase stormwater attenuation prior to discharge, increasing native vegetation, restoring wetland varieties of plants and species utilizing best management practices, and reducing pollutant loadings and nutrients through treatment.

60 – Rebuild Second Sandbar

Dewberry Score: 2

RAC Score: TBD

Budget: Not Provided

**Other Funding Source?:
TDT**

Description: This proposal is to build a burrier to the beach where the 2nd sandbar used to be. You can us Geobags, large sand bags, or sink artificial material like old ships or concrete. Geobags with a mat under them may best because they don't sink. This will act as beach protection similar to an island with a burier reef. There is history of both Geobags and artificial material being used else where. Both ways show to be working.

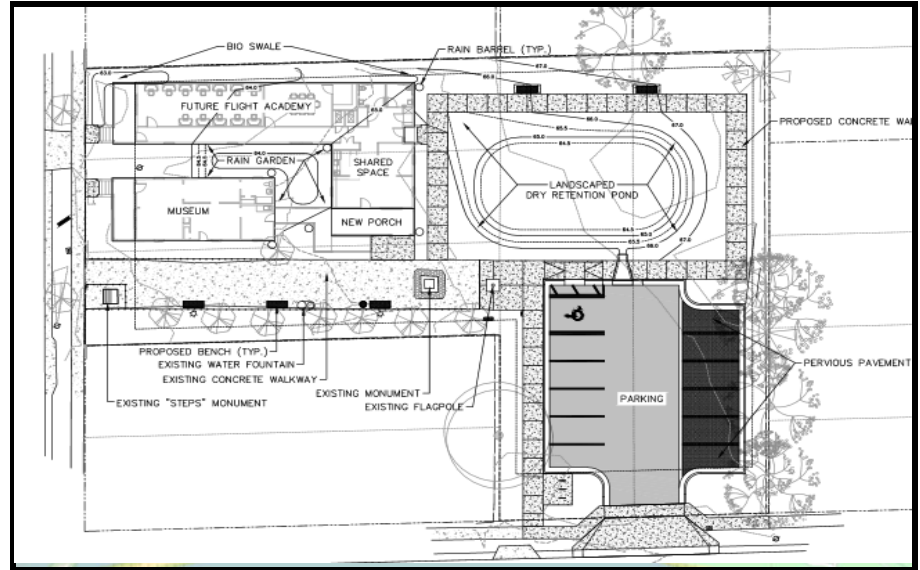

61 – General Daniel “Chappie” James, Jr. Memorial Park Low Impact Development & Stormwater Treatment Project

Dewberry Score: 50

RAC Score: TBD

Budget: \$645,000

**Other Funding Source?:
LOST, EDA, TDT**

Description: The General Daniel “Chappie” James, Jr. Memorial Park is a multifaceted Low Impact Development and Stormwater Treatment project that will produce a museum, flight academy and Low Impact Development (LID) at an historic park in Pensacola. The project will protect, transform and showcase this national historic resource as a tourist attraction. A state of the art museum will add a unique venue to Pensacola’s current tourism offerings. Exhibits will emphasize themes of General James’ early life in Pensacola, his life as a student at Tuskegee and his military career in the U. S. Air Force.

62 – Escambia County Santa Rosa Island Property Boardwalk & Observation Towers

Dewberry Score: 52

RAC Score: TBD

Budget: \$5,000,000

Other Funding Source?:
NRDA, LOST, HUD, TDT

Description: The Project entails the construction of 2.3 miles of public access boardwalk on the Santa Rosa Island Maritime Forest dune system. There will be three observation towers constructed with habitat and island interpretive kiosks will allow a platform for educational opportunities.
