

TYPES OF EMS PROVIDERS

Escambia County, Florida - ALS/BLS Medical Protocol

Paramedic: Being certified by the State of Florida as Paramedic enables the provider to administer basic and advanced life support as outlined in these protocols.

EMT: Being certified by the State of Florida as an EMT enables the provider to administer basic life support as outlined in these protocols.

First Responder: Those providers (eg. Firefighters, Lifeguards, Police Officers) that are not certified as a Paramedic or EMT that have successfully completed a 40 hour 1st Responder class. 1st Responders may only use the 1st Responder section of these protocols.
