

# Escambia County Corrections Bureau Road Prison Division

Medical SOG # 105

Post Use of Force

---

**Purpose:** This SOG addresses the Medical Corrections Officer's responsibility after a "Use of Force" incident at the Escambia County Road Prison.

**Procedure:** The Medical Corrections Officer shall assess all involved Corrections Officers and inmates for injury or complaint related to the incident. The Medical Corrections Officer will provide any needed medical attention needed. The Medical Corrections Officer will document inmate's injuries or complaints in the inmate's medical chart or if no injuries are found or complaints voiced by the inmate this will be documented in the inmate's medical chart on the "Post Use of Force" form and placed in the appropriate files.

If injuries warrant evaluation, the inmate will be transported to the Urgent Care Center / Emergency Department per Escambia County Road Prison SOG # 102
