

Escambia County Corrections Bureau Road Prison Division

Medical SOG # 111
TB Skin Tests

Purpose: This SOG relates to the evaluation of TB Skin Test at the Escambia Road Prison.

Procedure: Medical Corrections Officers are not to administer or evaluate/“read” a TB skin test. Inmates that have not received a TB skin test or have received a TB skin test recently that has not been read, shall be transported to the main jail to be administered a skin test or reading of prior skin test already received.
