

Board of County Commissioners • Escambia County, Florida

Joy D. Blackmon, P.E.
Director, County Engineer
Public Works Department

TECHNICAL NOTICE

No: (02.07.17)

Adopted:

To: Developers and Homebuilders
Engineers of Record
Engineering Staff and Development Services

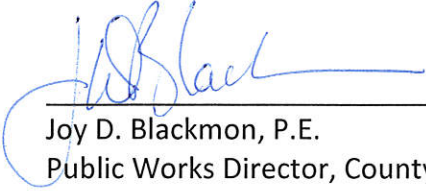

From: Escambia County Public Works Department, Engineering Division

This notice is intended to provide information regarding changes and/or clarification of Escambia County policies, procedures, standards and/or specifications to the general public, design professionals, homebuilders and developers. Below are the changes/clarifications:

New Requirements for Radius Returns for Subdivisions in Escambia County

NOTICE: The minimum radius of proposed access roads to the new subdivisions shall be 25 feet if raised curb is used along the entire length of the curve, and the minimum of 35' feet radius shall be used if ribbon curb, or no curb is used in the County Right of Way. Transition from the layback (Type B) curb to the ribbon curb shall be constructed in accordance with the County's approved detail.

This requirement shall be enforced from the date this technical notice is adopted.

Joy D. Blackmon, P.E.
Public Works Director, County Engineer
