ADDENDUM NUMBER 2:

Re: Perdido Class I Landfill Section 5 Cell 1A Expansion Sitework Construction
Specification Number: PD 15-16.058

Bidders:

We recently sent you an Invitation to Bid on the above mentioned specification.

This Addendum #2 provides for response to questions:

1. Does Escambia County require Bid Bonds to be written on a specific form? If so, please provide.

Response – No, Escambia County does not have a specific form for your Bid Bond.

2. The County's P&P Bond Forms are not included in the solicitation. If County form will be required, please provide.

Response - Our Performance & Payment Bond Forms are part of our Agreement and will be provided to the firm recommended for award.

3. Will the County provide the Engineer's estimated quantities for earthwork to the bidders? While we understand that the quantities will be at the bidder's risk, it is typical to provide a CAD file for an earthwork project such as this, and addendum 1 clarified that there would be no CAD file provided.

Response - An FTP site is has been established by the Engineer so that the Contractor can access the CAD files. The instructions on how to access the FTP site are listed below. The FTP site also contains instructions on how to open the CAD files in a file called "Read Me 1st –Instructions". This addendum contains the Electronic File Transfer Terms and Conditions Release Form that must be signed by the Contractor and returned as part of the Bid package.

Accessing the Jones Edmunds FTP site

Due to the different version of Internet Explorer (IE), we advise you to launch the FTP session through the “Microsoft Windows File Explorer” and **Not** through the Internet Explorer (IE).

You may have to invoke the Login As option by a right mouse-click on the background of the File Explorer page.

4. Please confirm that this is will be a lump sum contract, regardless of the unit rate verifications for payment.

Response - The contract is Lump Sum. Periodic surveys are to estimate the percent complete for the purpose of monthly applications for payment.

5. Please confirm allowable work hours / days based off discussion at pre-bid.

Response - The working hours are 7 am to 5 pm Monday through Friday

6. Does the Range Road Stockpile Area require stabilization once borrow material is placed? If so, will it be required to sod or seed?

Response - The Range Road Stockpile Area requires stabilization. The swales and area in front of the culverts will be sodded. Slopes 5:1 and steeper will be sodded. The remainder will be seeded.

7. There are no details in the plans for the storm water inlets. Can we get some details for the storm inlets.

Response - Details for the stormwater structures are located on each structure individually. Refer to pages C-33, C-34 and C-36 in the drawings. Details for the stormwater structures may be shown on other drawings as well.

This Addendum Number 2 is furnished to all known prospective Bidders. Please sign and return one copy of this Addendum, with original signature, with your proposal as an acknowledgement of your having received same. You may photo copy for your record.
