ADDENDUM NUMBER 2:

Re: OLF-X Phase 1 - Earthwork
Specification Number: PD 15-16.067

Bidders:

We recently sent you an Invitation to Bid on the above mentioned specification.

This Addendum #2 provides for:

1. Revised Bid Form (see attached 4 pages)

Question - The Bid Form Grand Total does not allow for Deductive Alternate No.1, nor does it allow credit for the Item 15 : 4' Farm Fence when adding Bid Alternate No.2 : 7' Chain Link Fence. Please clarify how we handle these in the Grand Total.
Revised bid form – Bid Alternate No. 2 (Perimeter Fence) less Base Bid Item #15.

2. Clarifications

Question - Agreement reads two years for warranty and special terms and conditions states one year.

Clarify - one (1) year warranty

Question - Can the finish grades be adjusted, or areas shown undisturbed be used to balance the earthwork onsite to eliminate any haul off or haul in?

Question - Is it the intention of the design that the cut and fill balance and that no dirt need be imported?

Clarify - The finished grades can be adjusted to balance the site as long as min/max slopes are maintained in accordance with range of slopes for each element as outlined in UFC design manual and referenced on Sheets C-200 through C-206. It is the intent of the design to avoid haul-off or hall-in of soils to achieve proposed grades.

Question - Is the bridge on Ard Field posted?

Clarify - There is no restriction on the bridge.

This Addendum Number 2 is furnished to all known prospective Bidders. Please sign and return one copy of this Addendum, with original signature, with your proposal as an acknowledgement of your having received same. You may photo copy for your record.

Sincerely,
