

Construction Notice of Commencement

Massachusetts Avenue Sidewalk & Drainage Improvements Mobile Highway to "W" Street

Project Overview

Escambia County's Construction Management Division will soon begin the Massachusetts Avenue Sidewalk and Drainage Improvements project from Mobile Highway to "W" Street in District 3. The project includes sidewalk and drainage improvements to both sides of Massachusetts Avenue between Mobile Highway and Erress Boulevard; sidewalk improvements to a section along Massachusetts Avenue between the bridge and Bridgedale Road; resurfacing of Massachusetts Avenue from Mobile Highway to "W" Street; and resurfacing of Erress Boulevard from Massachusetts to the end of the pavement.

Resident Information

- The project construction cost of \$4,919,151 will be funded by Local Option Sales Tax (LOST) and American Rescue Plan Act (ARPA).
- Roads Inc. of NWF is the primary contractor.
- The project will commence in January with a duration of 390 days.
- Areas impacted outside the construction limits will be returned to their previous state.
- Access to adjacent properties will be maintained during construction, however, there may be short periods when access is limited.
- Traffic may be temporarily reduced to a single lane or detoured.
- A Construction Engineering & Inspection (CEI) consultant will monitor the construction areas daily.
- Your cooperation and patience are appreciated during the construction process.
