

RESIDENTIAL SALES INFRASTRUCTURE MAINTENANCE DISCLOSURE

ATTENTION: Pursuant to section 86-165 of the Escambia County Code of Ordinances, sellers of residential lots are required to disclose to buyers who is responsible for maintenance of infrastructure within areas platted on or after June 1, 2017. Section 86-166 of the Escambia County Code of Ordinances requires this disclosure be attached along with other attachments to the deed or other method of conveyance required to be made part of the public records of Escambia County, Florida. Note: Acceptance for filing by County employees of this disclosure shall in no way be construed as an acknowledgment by the County of the veracity of any disclosure statement.

If multiple entities are responsible for maintenance of the same type of infrastructure within the platted area, you must attach an additional disclosure form for each responsible entity and designate the area of responsibility by lot and block.

If additional space is needed, please check box and attach additional pages.
